Re: Tax Parcel(s) 1300400008

To Whom It May Concern:

We received a petition from you requesting that Artesian Wastewater Management, Inc. provide wastewater service to your property in New Castle County.

In order to provide your area with public wastewater service, Artesian must file for a Certificate of Public Convenience and Necessity (CPCN) with the Public Service Commission (PSC). Attached is information we are required to provide to all landowners within the proposed service territory prior to filing the CPCN Application.

The CPCN, when granted, will allow Artesian to be the public wastewater service provider for your area. You are not obligated to connect to the public wastewater system when it becomes available.

Under the law, the Public Service Commission is obligated to grant a CPCN to a utility to provide wastewater services if a majority of the landowners in a proposed service area have requested the utility's wastewater services. This means that even if you have not signed a request for the utility's wastewater services, your property may be included in the utility's service area if more than half of the landowners have made such requests. If you want your property included in the service territory, even though you did not sign a request for the utility's wastewater services, then you need not take any further action. However, If you do not want your property included in the utility's proposed service territory or if you oppose the utility providing services in the area, then you must do something under one or more of the attached options within 60 days.

Artesian provides excellent customer service. A recent survey of our current customers showed that 96% of our customers, if given the choice, would choose Artesian again.

If we can be of any further assistance to you, please feel free to contact me at 1-800-332-5114 or (302) 453-6983.

Sincerely,

Alan L. Fleetwood
CPCN Coordinator

"(1) Pursuant to Title 26, **§203D(d)**(2) of the Delaware Code, an Application for a Certificate of Public Convenience and Necessity (CPCN) will be submitted to the Delaware Public Service Commission on or about November 2. (12) Under Delaware law, the Public Service Commission cannot grant a CPCN to Artesian Wastewater Management, Inc., if a majority of the landowners in the proposed wastewater service area object to the issuance of the CPCN. If you object to the issuance of a CPCN for the proposed area that includes your property, you must notify the Commission, in writing, within sixty days of your receipt of this notice or within thirty days of the filing of the completed application for a CPCN, whichever is greater.

We received a petition from you requesting that Artesian Wastewater Management, Inc. provide wastewater service to your property in New Castle County.

In order to provide your area with public wastewater service, Artesian must file for a Certificate of Public Convenience and Necessity (CPCN) with the Public Service Commission (PSC). Attached is information we are required to provide to all landowners within the proposed service territory prior to filing the CPCN Application.

The CPCN, when granted, will allow Artesian to be the public wastewater service provider for your area. You are not obligated to connect to the public wastewater system when it becomes available.

Under the law, the Public Service Commission is obligated to grant a CPCN to a utility to provide wastewater services if a majority of the landowners in a proposed service area have requested the utility's wastewater services. This means that even if you have not signed a request for the utility's wastewater services, your property may be included in the utility's service area if more than half of the landowners have made such requests. If you want your property included in the service territory, even though you did not sign a request for the utility's wastewater services, then you need not take any further action. However, If you do not want your property included in the utility's proposed service territory or if you oppose the utility providing services in the area, then you must do something under one or more of the attached options within 60 days.

Artesian provides excellent customer service. A recent survey of our current customers showed that 96% of our customers, if given the choice, would choose Artesian again.
