**MEMORANDUM**

**TO:** The Chair and Members of the Commission

**FROM:** Vincent O. Ikwuagwu, Public Utilities Analyst

**SUBJECT:** IN THE MATTER OF THE APPLICATION OF ONVOY, INC. d/b/a ONVOY VOICE SERVICES, INC. FOR A CERTIFICATE OF PUBLIC CONVENIENCE AND NECESSITY TO PROVIDE COMPETITIVE FACILITIES-BASED AND RESOLD LOCAL EXCHANGE SERVICES AND INTRASTATE LONG DISTANCE TELECOMMUNICATIONS SERVICES WITHIN THE STATE OF DELAWARE  
(FILED DECEMBER 16, 2013) - PSC DOCKET NO. 13-495

Onvoy, Inc. d/b/a Onvoy Voice Services, Inc. (“Onvoy”), has applied (“Application”) for a Certificate of Public Convenience and Necessity (“CPCN”) to provide competitive facilities-based and resold local exchange and intrastate Long Distance telecommunications services within the State of Delaware. The Delaware Public Service Commission staff (“Staff”) has reviewed the Application to determine its compliance with the Rules and Regulations promulgated in *26 Del. Admin. C. §4001*.

On August 6, Onvoy submitted a Performance Bond in the amount of \$10,000 issued by Berkley Insurance Company on behalf of Onvoy in compliance with *26 Del. Admin. C. §4001-4.6.1*. To demonstrate its financial capability, Onvoy also provided to Staff its financial report for the fiscal period ended June 30, 2013.

To demonstrate its technical and managerial capabilities, Onvoy provided Staff with background information of its principal officers and employees. In addition, Onvoy states it is currently certified to provide similar services in 23 states and the District of Columbia. Onvoy

also confirmed that it intends to comply with the Commission's Rules and Regulations on an ongoing basis.

Pursuant to 26 *Del. Admin. C.* §4001-4.3, a copy of the Application was provided to the Division of the Public Advocate, and public notice of the Application was published in The News Journal and in the Delaware State News newspapers on February 5, 2014. Staff reports that it received no formal comments or objections to Onvoy's Application for a CPCN.

Based on Staff's review and analysis, Onvoy has shown that it has the financial, managerial, and technical means to provide resold telecommunications services in Delaware. Therefore, Staff recommends that the Commission grant Onvoy, Inc. d/b/a Onvoy Voice Services a CPCN to provide competitive facilities-based and resold local exchange and intrastate Long Distance telecommunications services within the State of Delaware.
