

**List of Certified Electric Suppliers**  
**Updated: 05/16/12**

This information is provided as a resource for consumers. The Delaware Public Service Commission neither endorses these particular entities nor accepts responsibility for the content or the accuracy of information provided by these entities. This list is updated as often as information becomes available, but the Commission would urge customers to contact all potential suppliers to determine if a company is offering service.

Before switching, the Consumer Energy Education Group (CEEG) has created a [list of questions to ask potential electric suppliers](#).
