ORDER NO. 6547

AND NOW, to-wit, this 11th day of January, A.D. 2005;

WHEREAS, by Order No. 3461 (dated Aug. 25, 1992), in PSC Docket No. 92-18, the Public Service Commission, pursuant to Rule 2 of the PSC Rules for the Provision of Competitive Intrastate Telecommunications Services, granted to NOS Communications, Inc., d/b/a 011 Communications, International Plus, The Internet Business Association, iVantage Network Solutions, and Blueridge Telecom Systems ("NOS"), a Certificate of Public Convenience and Necessity ("CPCN") to provide intrastate telecommunications services to the public between and among all points throughout the State of Delaware; and

WHEREAS, NOS, at the time of the grant of such CPCN, did not require deposits, advance payments, nor other guarantees from customers and, hence, did not file a bond under Rule 4(f)(ii) of the PSC Rules for the Provision of Competitive Intrastate Telecommunications Services; and

WHEREAS, NOS has now filed an amendment to its tariff authorizing it to require customer deposits and issue prepaid calling cards, such amendments thus triggering the bond requirements of Rule 4(f)(ii); and

WHEREAS, the Commission has now decided to grant NOS a partial waiver from the full requirements of Rule 4(f)(ii); now, therefore,

IT IS ORDERED:

1. That the Commission hereby waives the full application of Rule 4(f)(ii) of the PSC Rules for the Provision of Competitive Intrastate Telecommunications Services contingent upon NOS Communications, Inc., d/b/a 011 Communications, International Plus, The Internet Business Association, iVantage Network Solutions, and Blueridge Telecom Systems filing with the Commission a Bond in the principal amount of Ten Thousand Dollars (\$10,000), executed by a corporate surety licensed to do business in Delaware, and guaranteeing the repayment of customer deposits and advances upon termination of service.

2. That a continuing condition of this waiver of the full application of Rule 4(f)(ii) is that NOS Communications, Inc., d/b/a 011 Communications, International Plus, The Internet Business Association, iVantage Network Solutions, and Blueridge Telecom Systems file with the Commission a verified report of its Delaware gross intrastate operating revenues semi-annually on or before the first day of March and the first day of September in each year until further Order of the Commission.

3. That a further continuing condition of this waiver of the full application of Rule 4(f)(ii) is that NOS Communications, Inc., d/b/a 011 Communications, International Plus, The Internet Business Association, iVantage Network Solutions, and Blueridge Telecom Systems, will, within sixty (60) days from the filing of any semi-annual report which reports Delaware gross intrastate operating revenues of \$6,667 or more, file with the Commission a duly executed and revised Bond with Delaware corporate surety which increases the principal amount of the bond so that it exceeds 150% of the reported Delaware Gross intrastate operating revenue rounded up to the nearest \$1,000.
