**AND WHEREAS**, the Commission, after publication of notice, has not received any protest concerning the proposed granting of such Certification to the Applicant; now, therefore,

**IT IS ORDERED:**

1. That pursuant to 26 Del. Such Certificate is effective on the date of this Order.

2. That Value-Added Communications, Inc., shall provide intrastate telecommunications services in the manner required by the Commission's "Rules for the Provision of Telecommunications Services," and shall, at all times, comply with all applicable provisions of such Rules. 3. That the provisions of 26 Del. C. § 208(b) are waived, and Value-Added Communications, Inc., is authorized to maintain its books and records relating to its Delaware operations outside of the State of Delaware provided, however, and upon the condition that, all such books

and records relating to Delaware operations as the Commission may deem it reasonably necessary from time to time, to review and copy, shall be provided to the Commission at the Commission's Office within the State of Delaware in a timely manner upon written request by the Commission's Chief of Technical Services or Executive Director. The conduct of such a review at a location other than Delaware shall be at the Applicant's expense.

7. That a further continuing condition for the waiver of the full application of Rule 4(f)(ii) is that Value-Added Communications, Inc., will, within sixty (60) days from the filing of a semi-annual report, which reports Delaware gross intrastate operating revenues of Six Thousand Six Hundred and Sixty Seven Dollars (\$6,667) or more, file with the Commission a duly executed and revised Bond with Delaware corporate surety which increases the principal amount of the bond so that it

exceeds 150% of the reported Delaware Gross intrastate operating revenue rounded up to the nearest One Thousand Dollars (\$1,000). Failure to comply with such conditions may be grounds for the immediate revocation of the Certificate granted to Value-Added Communications, Inc.
