AND NOW, to-wit, this 23rd day of May, 2006, the Public Service Commission ("PSC" or the "Commission") makes the following findings, determination, and Order:

1. On February 21, 2006, YMax Communications Corp. ("YMax") filed with the Commission an application for a Certificate of Public Convenience and Necessity ("CPCN") to allow it to provide local exchange telecommunications services within Delaware. YMax amended its application on March 22, 2006. YMax has also filed an illustrative tariff setting forth the terms and conditions for its proposed services.

2. Public notice of the application, including a period for filing objections, was published in the Delaware State News newspaper on March 10, 2006 and The News Journal newspaper on March 9, 2006. No comments nor objections to the application have been received. The Commission Staff reports that YMax has shown that it has the financial, technical, and managerial capabilities as required for a certificate as set forth in the Commission's "Rules for the Provision of Telecommunications Services."¹ On March 22, 2006, YMax filed a bond in

the amount of Ten Thousand Dollars (\$10,000) with corporate surety licensed to do business in Delaware.

3. YMax has requested a waiver of the requirement to file an intraLATA toll dialing parity plan at this time since YMax will not be providing long distance telecommunications services.

4. The Commission determines that a conditional CPCN should be granted to YMax authorizing it, as a public utility, to offer local exchange telecommunications services under the provisions of the Commission's "Rules for the Provision of Telecommunications Services."

Now, therefore, **IT IS ORDERED:**

C. §§ 203A and 703(3) and the Commission's "Rules for the Provision of Telecommunications Services," a conditional Certificate of Public Convenience and Necessity is granted to YMax Communications Corp. to operate as a public utility and provide local exchange telecommunications services as described in the application filed on February 21, 2006 and amended on March 22, 2006.

That YMax Communications Corp. shall provide local exchange telecommunications services in the manner required by the Commission's "Rules for the Provision of Telecommunications Services," and shall, at all times, comply with all applicable provisions of such Rules. YMax Communications Corp. shall also file all returns and pay all assessments and fees as may be required by the provisions of 26 Del. C. §§ 114 and 115.

3. That the Certificate for local exchange telecommunications services is awarded upon, and subject to, the following conditions:

local exchange telecommunications services, YMax Communications Corp. shall file a tariff or price list with rules, regulations, terms, and conditions of service specifically adopted for Delaware; and

(b) That YMax Communications Corp. has a Commission approved interconnection agreement or a filed "opt-in" agreement between YMax Communications Corp. and Verizon Delaware Inc., or another certificated local exchange carrier.

4. That the Commission hereby grants YMax's request to waive the requirement to file and have a Commission approved intraLATA toll dialing parity plan until it makes an application to offer long distance telecommunications services.

5. That the provisions of *26 Del. C. § 208(b)* are waived, and YMax Communications Corp. is authorized to maintain its books and records relating to its Delaware operations outside of the State of Delaware provided, however, and upon the condition that, all such books and records relating to Delaware operations as the Commission may deem it reasonably necessary from time to time, to review and copy, shall be provided to the Commission at the Commission's Office within the State of Delaware in a timely manner upon written request by the Commission's Chief of Technical Services or Executive Director. The conduct of such a review at a location other than Delaware shall be at the Applicant's expense.

6. That YMax Communications Corp. shall comply with all state and federal statutes and rules relating to a customer's selection of a preferred carrier of telecommunications services. YMax Communications Corp. agrees to pay all fees, assessments, penalties, and allowed damages

arising from a violation of such state and federal statutes or rules pertaining to the selection of a preferred carrier.

7. That a violation of the "Rules for the Provision of Telecommunications Services" may result in suspension or revocation of this Certificate.
