ORDER NO. 6979

AND NOW, to-wit, this 11th day of July, A.D., 2006,

WHEREAS, on June 20, 2006, by PSC Order No. 6951, the Commission consolidated the captioned proceedings because both dockets were opened to consider proposed changes to the electric transmission rates of Delmarva Power & Light Company and because most, if not all, of the issues raised in PSC Docket No. 05-147 had been addressed at the federal level as a result of a FERC settlement and other FERC Orders; and

WHEREAS, the Commission now finds, that for purposes of administrative efficiency, the matters should proceed under one caption, that being PSC Docket No. 06-192, which was opened to consider the later filed application;

Now, therefore, **IT IS ORDERED:**

1. That, by and in accordance with the affirmative vote of a majority of the Commissioners, PSC Docket No. 05-147 is hereby closed. Residual issues remaining from PSC Docket No. 05-147, including the

amount of refund, if any, arising from temporary rates put into effect under PSC Order No. 6636 (May 24, 2005), are subsumed by and made part of PSC Docket No. 06-192.

2. That the Commission reserves the jurisdiction and authority to enter such further Orders in this matter as may be deemed necessary or proper.
