**ORDER NO. 7483**

**GRANTING CERTIFICATE OF PUBLIC CONVENIENCE AND NECESSITY  
TO PROVIDE PUBLIC WATER UTILITY SERVICES**

This 2<sup>nd</sup> day of December, 2008, the Commission finds, determines, and Orders the following:

1. On July 25, 2008, Tidewater Utilities, Inc. ("Tidewater" or "Applicant") filed an application ("Application") with the Commission seeking a Certificate of Public Convenience and Necessity ("CPCN") to expand its facilities and operations in order to provide water services to certain portions of Kent County Tax Map Parcel No. ED00-96.00-01-12.00, located on both sides of Old Lebanon Road, near Dover Air Force Base, Kent County, Delaware ("Proposed Service Area"). The basis for the Application is Tidewater's possession of a petition requesting water services signed by a representative of the Department of the Air Force, the owner of the parcel of land, comprising the Proposed Service Area in accordance with 26 Del. C. § 203C(e)(1)b. Tidewater's CPCN request in this Application is to provide water services specifically to the Airman Leadership School, Base Chapel, Arnold Middle and Welch Elementary Schools, and the old Youth Center. With its Application, Tidewater filed evidence that it had mailed to

the landowner in the Proposed Service Area notice of its application and the options available to affected landowners. In addition, on Staff's direction, Tidewater published notice of its Application in two newspapers of general circulation. No comments regarding the Applicant or this Application have been received.

2. The Commission Staff has completed its review and investigation of the Application and the Applicant. In a November 6, 2008 Memorandum to the Commission, Staff reports that Tidewater's Application meets all requirements for the granting of a CPCN under 26 Del. C. § 203C and the Commission's *Regulations Governing Water Utilities Including the Public Service Commission's Jurisdiction to Grant and Revoke Certificates of Public Convenience and Necessity*, and recommends approval of the Application.

3. For these reasons, the Commission finds that Tidewater has met all requirements for the granting of a CPCN and, therefore, the Commission shall approve the Application as filed in PSC Docket No. 08-CPCN-17 on July 25, 2008.

Now, therefore, **IT IS ORDERED:**

1. That, pursuant to 26 Del. C. § 203C(e), to the extent it is consistent with this Order, a Certificate of Public Convenience and Necessity is granted to Tidewater Utilities, Inc., to serve certain portions of Kent County Tax Map Parcel No. ED00-96.00-01-12.002, more specifically the Airman Leadership School, Base Chapel, Arnold Middle and Welch Elementary Schools, and the old Youth Center.

2. That Tidewater Utilities, Inc., shall comply with any and all federal, state, county, and local statutes, ordinances, orders,

regulations, rules, and permit conditions that are applicable, or may become applicable, to any matter involving water utility services provided to the service territory granted by this Certificate of Public Convenience and Necessity.

3. That the Commission reserves the jurisdiction and authority to enter such further Orders in this matter as may be deemed necessary or proper.
