ORDER NO. 7649

**GRANTING CERTIFICATE OF PUBLIC CONVENIENCE AND NECESSITY
TO PROVIDE PUBLIC WATER UTILITY SERVICES**

This 22nd day of September, 2009, the Commission finds, determines, and Orders the following:

1. On June 23, 2009, Artesian Water Company, Inc. ("Artesian" or "Applicant") filed an application ("Application") with the Commission seeking a Certificate of Public Convenience and Necessity ("CPCN") to expand its facilities and operations in order to provide water services to one parcel of land located south of Greenwood, one parcel of land located west of Bridgeville, five parcels of land distributed north and east of Selbyville, one parcel of land located west of Dagsboro, and seventeen parcels of land distributed north of Milton to east of Georgetown, Sussex County, Delaware ("Proposed Service Area"). The basis for the Application is Artesian's possession of petitions requesting water services signed by all the owners of the parcels of land comprising the Proposed Service Area in accordance with 26 Del. C. § 203C(e)(1)b. With its Application, Artesian filed evidence that it had mailed to all of the landowners in the Proposed Service Area notice of its application and the options

available to the affected landowners. In addition, on Staff's direction, Artesian published notice of its Application in two newspapers of general circulation. No comments regarding the Applicant or this Application have been received.

2. On August 26, 2009, Artesian amended its Application to remove one parcel of land from the Proposed Service Territory (Sussex County Tax Map No. 533-4.00-3.00). There are now 24 parcels of land in the Proposed Service Area.

3. The Commission Staff has completed its review and investigation of the Application and the Applicant. In a September 8, 2009 Memorandum to the Commission, Staff reports that Artesian's Application meets all requirements for the granting of a CPCN under 26 *Del. C. § 203C* and the Commission's *Regulations Governing Water Utilities Including the Public Service Commission's Jurisdiction to Grant and Revoke Certificates of Public Convenience and Necessity*, and recommends approval of the Application.

4. For these reasons, the Commission finds that Artesian has met all requirements for the granting of a CPCN and, therefore, the Commission shall approve the Application in PSC Docket No. 09-CPCN-26 as filed on June 23, 2009 and amended on August 26, 2009.

**NOW, THEREFORE, IT IS HEREBY ORDERED BY THE AFFIRMATIVE
VOTE OF NOT FEWER THAN THREE COMMISSIONERS:**

1. That, pursuant to 26 *Del. C. § 203C(e)*, to the extent it is consistent with this Order, a Certificate of Public Convenience and Necessity is granted to Artesian Water Company, Inc. to serve the area more specifically identified on "Exhibit A" of this Order.

2. That Artesian Water Company, Inc., shall comply with any and all federal, state, county, and local statutes, ordinances, orders, regulations, rules, and permit conditions that are applicable, or may become applicable, to any matter involving water utility services provided to the service territory granted by this Certificate of Public Convenience and Necessity.

3. That the Commission reserves the jurisdiction and authority to enter such further Orders in this matter as may be deemed necessary or proper.
