ORDER NO. 7668

**GRANTING CERTIFICATE OF PUBLIC CONVENIENCE AND NECESSITY
TO PROVIDE PUBLIC WATER UTILITY SERVICES**

This 6th day of October, 2009, the Commission finds, determines, and Orders the following:

1. On July 15, 2009, Tidewater Utilities, Inc. ("Tidewater" or "Applicant") filed an application ("Application") with the Commission seeking a Certificate of Public Convenience and Necessity ("CPCN") to expand its facilities and operations in order to provide water services to three parcels of land located north of Greenwood, two parcels of land located east of Selbyville, one parcel of land located west of Frankford, and one parcel of land located east of Seaford, Sussex County, Delaware ("Proposed Service Area"). The basis for the Application is Tidewater's possession of petitions requesting water services signed by all the owners of the parcels of land comprising the Proposed Service Area in accordance with 26 Del. C. § 203C(e)(1)b. With its Application, Tidewater filed evidence that it had mailed to all of the landowners in the Proposed Service Area notice of its application and the options available to the affected landowners. In addition, on Staff's direction, Tidewater published notice of its

Application in two newspapers of general circulation. No comments regarding the Applicant or this Application have been received.

2. The Commission Staff has completed its review and investigation of the Application and the Applicant. In a September 9, 2009 Memorandum to the Commission, Staff reports that Tidewater's Application meets all requirements for the granting of a CPCN under 26 Del. C. § 203C and the Commission's *Regulations Governing Water Utilities Including the Public Service Commission's Jurisdiction to Grant and Revoke Certificates of Public Convenience and Necessity*, and recommends approval of the Application.

3. For these reasons, the Commission finds that Tidewater has met all requirements for the granting of a CPCN and, therefore, the Commission shall approve the Application in PSC Docket No. 09-CPCN-29 as filed on July 15, 2009.

**NOW, THEREFORE, IT IS HEREBY ORDERED BY THE AFFIRMATIVE
VOTE OF NOT FEWER THAN THREE COMMISSIONERS:**

1. That, pursuant to 26 Del. C. § 203C(e), to the extent it is consistent with this Order, a Certificate of Public Convenience and Necessity is granted to Tidewater Utilities, Inc. to serve the area more specifically identified by the Sussex County Tax Map Parcel Numbers 533-18.00-47.01, 231-13.00-61.00, 530-5.00-9.00, 533-10.00-60.03, 233-16.00-38.01, 530-8.00-4.01, and 430-3.00-1.00.

2. That Tidewater Utilities, Inc., shall comply with any and all federal, state, county, and local statutes, ordinances, orders, regulations, rules, and permit conditions that are applicable, or may become applicable, to any matter involving water utility services

provided to the service territory granted by this Certificate of Public Convenience and Necessity.

3. That the Commission reserves the jurisdiction and authority to enter such further Orders in this matter as may be deemed necessary or proper.
