(FILED SEPTEMBER 18, 2009))

PUBLIC NOTICE OF APPLICATION OF DELMARVA POWER & LIGHT COMPANY FOR AN
INCREASE IN ELECTRIC BASE RATES AND MISCELLANEOUS TARIFF CHANGES

TO: ALL ELECTRIC CUSTOMERS OF DELMARVA POWER & LIGHT COMPANY:

On September 18, 2009, Delmarva Power & Light Company ("Delmarva" or "the Company") filed an application with the Delaware Public Service Commission ("the Commission") seeking approval for an increase in its electric base rates and for miscellaneous tariff changes.

In its application, Delmarva seeks an increase in annual operating revenues of \$27,618,487, or 4% over existing rates. In addition, Section 1500(b)(8) of the Energy Conservation and Efficiency Act passed by the Delaware General Assembly requires all regulated electric and natural gas utilities to implement decoupled rate designs by December 2010. The following description of the rate increase reflects the effect of Delmarva's proposal to implement a modified fixed variable rate design.

On October 6, 2009, in Order No. 7671, the Commission, pursuant to 26 Del. C. §306(a)(1), suspended the effectiveness of the proposed new rates and tariff revisions pending further investigation, public comment sessions, and public evidentiary hearings, which will be held later after further public notice. However, in Order No. 7671 the Commission authorized Delmarva to place a portion of its proposed increases into effect subject to refund, pursuant to 26 Del. C. §306(c), sixty (60) days after the initial September 18, 2009 filing date, or on November 17, 2009. The Commission also granted Delmarva's request to waive the requirement of a bond with surety with respect to the implementation of the interim rates.

The Commission will make its decision on this matter on the basis of the record evidence taken at the public evidentiary hearings. The Commission may approve or reject, in whole or in part, the proposed increase and tariff revisions and may approve a different method for allocating any increase should one be found to be appropriate.
