**AND NOW**, this 22nd day of December, 2009;

**WHEREAS**, Comcast of New Castle County, LLC ("Comcast"), holds a franchise granted by this Commission ("the Commission") to operate a cable television system in the unincorporated areas of northern New Castle County. The Commission regulates the maximum permitted rates that Comcast may charge its subscribers for its basic service tier ("BST") and related equipment rentals and installation services. In doing so, the Commission applies the rate regulation rules and methodologies adopted by the Federal Communications Commission ("FCC"); and

**WHEREAS**, on October 2, 2009, Comcast filed an Application seeking adjustments to its maximum permitted BST monthly rate, as well to its equipment and installation charges for the period January 1, 2010 through December 31, 2010, for the unincorporated areas within New Castle County (Community Unit Identification No. DE0011). The Application includes FCC Form 1240, which lists adjustments to the maximum permitted BST monthly rate, and FCC Form 1205, listing changes to Comcast's maximum permitted rates for equipment and installation charges; and

**WHEREAS**, at the direction of Staff, Comcast published a notice of the proposed adjustments to its regulated rates in the Delaware State

News and The News Journal newspapers on November 30, 2009. The required notice provided a deadline for the filing of comments. No comments have been filed; and

**WHEREAS**, on December 22, 2009, the Commission conducted a public hearing on the Application; and

**WHEREAS**, based on the evidence presented, the Commission determines that Comcast's proposed rate adjustments, as they appear on its FCC Forms 1240 and 1205, have been calculated in accordance with the rules and regulations of the Federal Communications Commission and, hence, should be approved for service on and after January 1, 2010;
