Pursuant to 47 C.F.R. §54.314

As Executive Director of the Delaware Public Service Commission (“DPSC”), I have been authorized by the DPSC at its September 22, 2015 meeting to certify Verizon Delaware LLC as a telecommunications carrier eligible for high-cost support in Delaware. As part of that process, I have electronically filed a certification with the Universal Service Administration Company in their new E-File system. Attached to this letter is a copy of the certification made on [DATE].

The DPSC hereby certifies for the following carrier that all federal high-cost support provided to such carrier within Delaware was used in the preceding calendar year and will be used in the coming calendar year only for the provision, maintenance, and upgrading of facilities and services for which the support is intended, consistent with 47 U.S.C. §254(e) and 47 C.F.R §§54.313 and 54.314.
