AND NOW, this 3rd day of December, 2015, the Delaware Public Service Commission ("Commission") determines and orders the following:

WHEREAS, Comcast Cable Communications, LLC ("Comcast") holds a franchise granted by the Commission to operate a cable television system in certain unincorporated areas of New Castle County, Delaware; and

WHEREAS, pursuant to 47 C.F.R §§76.910 and 76.933(g), the Commission is authorized to approve the calculation of the maximum permitted rates that Comcast may charge its subscribers for its basic service tier ("BST") cable and related equipment rentals and installation services by applying the rate regulation rules and methodologies adopted by the Federal Communications Commission ("FCC"); and

WHEREAS, on October 1, 2015, Comcast filed an application ("Application") seeking adjustments to its maximum permitted BST monthly cable rate, as well its equipment and installation charges for the period January 1, 2016, to December 31, 2016, for the areas served by the head-end system within Community Identifier Unit Number DE0011;

and

WHEREAS, the Application includes FCC Form 1240, which lists adjustments to the maximum permitted BST monthly cable rate, and FCC Form 1205, which lists changes to Comcast's maximum permitted rates for its equipment and installation charges during the same period; and

WHEREAS, at the direction of the Commission Staff ("Staff"), Comcast published a notice of the proposed changes to its regulated rates in the Delaware State News and The News Journal newspapers on November 6, 2015; and

WHEREAS, no comments have been filed in response to such legal notices; and

WHEREAS, based on the evidence presented, Staff determined that Comcast's maximum permitted rates, as they appear on its FCC Forms 1240 and 1205, have been calculated in accordance with the regulations of the FCC and, hence, recommended that such maximum permitted rates should be approved for BST cable services, installation services, and equipment rentals on and after January 1, 2016; and

WHEREAS, the Commission has reviewed the record regarding the Application in this case and has deliberated in public at its duly-noticed evidentiary hearing held on December 3, 2015;
