SUPPLEMENTED APRIL 27, 2016))

ORDER NO. 8895

AND NOW, this 7th day of June, 2016, the Delaware Public Service Commission ("Commission") determines and orders the following:

WHEREAS, on April 20, 2016, Artesian Water Company, Inc. ("Artesian") filed an application ("Application"), pursuant to 26 Del. C. §203C(e)(1)b.2, which seeks from the Commission a Certificate of Public Convenience and Necessity ("CPCN") to expand its facilities and operations to provide water services to one parcel of land in Sussex County, Delaware, more specifically identified as Tax Map Parcel Number 234-10.00-133.00 and referred to as the "Schwartz Property" (the "Proposed Service Area"); and

WHEREAS, the Commission Staff ("Staff") reviewed the Application to ensure compliance with the statutory provisions of 26 Del. C. §203C and the Commission's Regulations Governing Certificates of Public Convenience and Necessity for Water Utilities, 26 Del. Admin. C. §2002 (the "Regulations"); and

WHEREAS, upon initial review of the Application and supporting materials, Staff found one item that needed to be clarified. Artesian included in the Application a printout of

tracking information from USPS.com for a mailing that was sent to an address in Harbeson, Delaware. This printout failed to identify the addressee's name and address as required by 26 Del. C. §203C(e)(1)a¹ and 26 Del. Admin. C. §2002-3.5.1.² After Staff notified Artesian of this deficiency, Artesian filed a USPS form with delivery information to show that a certified mailing was delivered to the landowner of record located in Harbeson, Delaware;³ and

WHEREAS, Artesian also filed with the Application affidavits of publication to show that it had published notice of the Application in two newspapers of general circulation on April 23, 2016. Staff also notes that it has not received any comments regarding Artesian or the Application in response to the published notices; and

WHEREAS, Staff has submitted to the Commission a memorandum that confirms the Application meets all of requirements for granting Artesian a CPCN for water services pursuant to 26 Del.

¹ 26 Del. C. §203C(e)(1)a requires an applicant to submit evidence that all landowners of the proposed territory have been notified by certified mail, or its equivalent, of the filing of the application, with such evidence consisting of a list provided by the United States Postal Service, or the alternate delivery service, of those to whom notice was sent.

² 26 Del. Admin. C. §2002-3.5.1 requires that the application contain documentation reflecting landowner notification as required by Delaware law, including copies of relevant Postal Service forms demonstrating that the applicant sent by certified mail the appropriate form of notice to each landowner of record of each parcel encompassed within the Proposed Service Area.

³ According to 26 Del. Admin. C. §2002-5.3, if an applicant submits an amended or supplemental application, the application shall then be deemed filed on the date of such submission for the purposes of the time limits set forth in 26 Del. C. §203C(h).

C. §203C and the Regulations. Accordingly, Staff has recommended that the Commission approve the Application;

NOW, THEREFORE, IT IS HEREBY ORDERED BY THE AFFIRMATIVE VOTE OF NO FEWER THAN THREE COMMISSIONERS:

1. Pursuant to 26 Del. C. §203C, the Commission grants a CPCN to Artesian to provide water services to the Proposed Service Area.

2. Artesian shall comply with any and all federal, state, county, and local statutes, ordinances, orders, regulations, rules, and permit conditions that are applicable, or may become applicable, to any matter involving water utility services provided to the service territory granted by this CPCN.

3. The Commission reserves the jurisdiction and authority to enter such further orders in this matter as may be deemed necessary or proper.
