

Delaware PSC Approves Exelon/PHI Merger

On May 19, 2015 the Delaware Public Service Commission voted 3-0 to approve the merger between Exelon and Pepco Holdings Inc. (PHI). PHI is the parent of Delmarva Power.

A final Order will be issued at a later date after all parties involved in the Delaware case review agreements from other jurisdictions and amend the proposed Delaware settlement accordingly.

Further information regarding this matter can be found on the PSC [website](#) by referencing Docket 14-193, or contacting Matt Hartigan at matthew.hartigan@state.de.us.
