ORDER NO. 7490

**GRANTING CERTIFICATE OF PUBLIC CONVENIENCE AND NECESSITY
TO PROVIDE PUBLIC WATER UTILITY SERVICES**

This 2nd day of December, 2008, the Commission finds, determines, and Orders the following:

1. On July 7, 2008, Artesian Water Company, Inc. ("Artesian" or "Applicant") filed an application ("Application") with the Commission seeking a Certificate of Public Convenience and Necessity ("CPCN") to expand its facilities and operations in order to provide water services to one parcel of land located south of Ellendale, two parcels of land located north of Milton, three parcels of land located in Ellendale, and twenty-eight parcels of land distributed south of Milton to east of Georgetown, Sussex County, Delaware ("Proposed Service Area"). The basis for the Application is Artesian's possession of a petition requesting water services signed by all of the owners of the parcels of land comprising the Proposed Service Area in accordance with 26 Del. C. § 203C(e)(1)b. With its Application, Artesian filed evidence that it had mailed to all the landowners in the Proposed Service Area notice of its application and the options available to affected landowners. In addition, on Staff's direction,

Artesian published notice of its Application in two newspapers of general circulation. No comments regarding the Applicant or this Application have been received.

2. The Commission Staff has completed its review and investigation of the Application and the Applicant. In a November 20, 2008 Memorandum to the Commission, Staff reports that Artesian's Application meets all requirements for the granting of a CPCN under 26 Del. C. § 203C and the Commission's *Regulations Governing Water Utilities Including the Public Service Commission's Jurisdiction to Grant and Revoke Certificates of Public Convenience and Necessity*, and recommends approval of the Application.

3. For these reasons, the Commission finds that Artesian has met all requirements for the granting of a CPCN and, therefore, the Commission shall approve the Application as filed in PSC Docket No. 08-CPCN-14 on July 7, 2008.

Now, therefore, **IT IS ORDERED:**

1. That, pursuant to 26 Del. C. § 203C(e), to the extent it is consistent with this Order, a Certificate of Public Convenience and Necessity is granted to Artesian Water Company, Inc., to serve the areas more specifically identified by the following Sussex County Tax Map Parcels Numbers shown in Exhibit "A" of this Order.

2. That Artesian Water Company, Inc., shall comply with any and all federal, state, county, and local statutes, ordinances, orders, regulations, rules, and permit conditions that are applicable, or may become applicable, to any matter involving water utility

services provided to the service territory granted by this Certificate of Public Convenience and Necessity.

3. That the Commission reserves the jurisdiction and authority to enter such further Orders in this matter as may be deemed necessary or proper.
