**OF THE STATE OF DELAWARE**

IN THE MATTER OF THE PROVISION OF )  
STANDARD OFFER SUPPLY TO RETAIL )  
CONSUMERS IN THE SERVICE TERRITORY ) PSC DOCKET NO. 14-144  
OF DELMARVA POWER & LIGHT COMPANY )  
(FILED APRIL 1, 2014) )

**ORDER NO. 8557**

This 29<sup>th</sup> day of April, 2014, the Public Service Commission ("Commission") determines and orders the following:

**WHEREAS**, on April 1, 2014, Delmarva Power & Light Company ("Delmarva") filed revised electric tariffs and requested approval of 2014 Standard Offer Service Rates, Procurement Cost Adjustment, Reasonable Allowance for a Retail Margin, and Renewable Energy Portfolio Standard compliance (the "2014 SOS-PCA-RARM-RPS Filing"). The 2014 SOS-PCA-RARM-RPS Filing included revised tariff leafs 39 to 41; 43 to 47; 50; 112; and 114. Additionally, Delmarva filed workpapers supporting the proposed tariff changes as well as the monthly bill impact information that showed a proposed increase by approximately \$0.32 (or an increase of 0.20%) for a typical residential customer using 1,000 kWh on an annual average basis; and

**WHEREAS**, as discussed further below, Staff has begun its review of the 2014 SOS-PCA-RARM-RPS Filing. At this time, pending further review of the 2014 SOS-PCA-RARM-RPS Filing, Staff recommends that the Commission approve Delmarva's proposed rate changes on a temporary basis, and subject to refund with interest effective with usage on and after June 1, 2014, and with the appropriate public notice; and

**WHEREAS**, Staff notes that the 2014 SOS-PCA-RARM-RPS Filing includes recovery of certain franchise and State utility taxes that Delmarva is required to collect from customers and transfer to State and local taxing authorities. For a three-year period, beginning June 1, 2007, and ending May 31, 2010, Delmarva paid those taxes on behalf of its customers but, due to mistaken application of the PCA, failed to collect the amounts that it paid to taxing authorities in SOS rates (the "Uncollected Amounts"). According to the Settlement Agreement which the Commission approved as part of Order No. 8265 (December 18, 2012) in Docket No. 11-528, the total amount to be collected over a three-SOS year period, beginning June 1, 2012, is \$3,346,205 ("\$3.4 million"). Thus, each year there will be a true-up for the Uncollected Amounts. The total Uncollected Amount, however, will not exceed the \$3.4 million. The Uncollected Amounts claimed by Delmarva is still subject to Staff review; and

**WHEREAS**, Staff further notes that Delmarva's 2014 SOS-PCA-RARM-RPS filing includes implementation of the Renewable Energy Portfolio Standard Charge (the "RPS Charge"). This charge consists of (1) the cost to acquire renewable energy credits ("RECs"), solar renewable energy credits ("SRECs"), and their equivalents necessary to comply with the Delaware Renewable Energy Portfolio Standards Act ("RPS"); (2) the cost and/or benefit of the energy from contracts for renewable energy entered into by Delmarva with the approval of the Commission; and (3) the adjustment of the Qualified Fuel Cell Provider Project

("Bloom") on the RPS obligations. The imputed RPS Charge is \$0.003448/kWh for all service classifications; and

**WHEREAS**, on December 22, 2009, via Order No. 7703, the Commission approved a Settlement Agreement in PSC Docket No. 09-9 ("RARM Settlement") which provides that where the change in the total RARM rate exceeds 5.25%, Delmarva is required to submit a formal filing for review. According to the 2014 SOS-PCA-RARM-RPS Filing, the RARM rate for fixed price customers decreased by 5.30% from the RARM rate currently in effect. Therefore, Delmarva considers the RARM component to be a formal filing, and the RARM factor will decrease. Delmarva included workpapers supporting the results of the RARM factor on an actual basis for the reporting year ending December 31, 2013, and on an estimated basis for the rate effective period. The RARM component will be subject to formal discovery; and

**WHEREAS**, on October 7, 2008, pursuant to 26 Del. C. §1007(c)(1) and the Commission's jurisdiction in this docket, the Commission issued Order No. 7461 which approved Delmarva's request to utilize in its annual Standard Offer Service ("SOS") procurement process a reverse auction process conducted by World Energy Solutions Inc.; and

**WHEREAS**, on December 2, 2013, and February 3, 2014, Delmarva conducted its ninth annual SOS procurement for supply contracts commencing on June 1, 2014. The procurement, which was conducted in two "tranches," secured three-year supply contracts for one-third of the residential SOS load and one-year contracts for 100% of the load

PSC Docket 14-144, Order No. 8557 Con't

for other "fixed price" types of service. Liberty Consulting Group, Inc. ("Liberty"), along with Staff, observed and evaluated the supply procurement in each tranche; and

**WHEREAS**, at the Commission's March 4, 2014 meeting, Liberty presented its Final Report dated March 4, 2014, which discussed the details of each procurement and the successful bids for the 2013-2014 SOS RFP. The 2014 SOS-PCA-RARM-RPS Filing reflects the results of the successful bids, as well as the PCA, RARM, and the RPS; and

**WHEREAS**, as discussed in its report, Liberty found that the auction resulted in bids that were consistent with expectations based on market conditions;

**NOW, THEREFORE, IT IS HEREBY ORDERED BY THE AFFIRMATIVE  
VOTE OF NOT FEWER THAN THREE COMMISSIONERS:**

1. The "Technical Consultant's Final Report - To the Delaware Public Service Commission - Delmarva Power & Light [Company] 2013-14 Request for Proposals for Full Requirements Wholesale Electric Supply for Standard Offer Service" dated March 4, 2014, as prepared and given to the Commission by Liberty Consulting Group, Inc. is hereby accepted.

2. Pursuant to 26 Del. C. §306(a)(1), the revised tariff sheets, including revised rates, filed by Delmarva on April 1, 2014, pertaining to its Standard Offer Service Rates, Procurement Cost Adjustment, Reasonable Allowance for a Retail Margin, and Renewable Energy Portfolio Standard compliance are approved on a temporary

basis, with usage on and after June 1, 2014. Such rates shall be subject to refund, with interest, if the Commission shall determine in a final order that such rates are, in whole or in part, unjust or unreasonable.

3. Delmarva shall publish the form of notice, attached as Exhibit "A," in the following newspapers, on the designated dates, in two-column format outlined in black:

May 22, 2014 - The News Journal; and

May 23, 2014 - Delaware State News

Delmarva shall cause the affidavits of publication of the above notices to be filed in this docket within two weeks of becoming available.

4. Interested persons may file written comments or objections to the proposed rates and tariff changes **on or before July 18, 2014.** If material written comments or objections are filed, or if Staff recommends changes to the proposed rates or tariff revisions temporarily approved by this Order, the Commission will determine, by further Order, the course of any further proceedings. If material written comments or objections are not filed and Staff recommends final approval of the rates and revised tariff leafs, then the Commission may enter a final order at a duly-noticed public hearing without further proceedings.

5. Delmarva is hereby notified that it will be charged the costs of this proceeding under 26 Del. C. §114(b)(1).

(b) Revision of the "Procurement Cost Adjustment" factors applicable to both fixed price SOS and Hourly Prices (SOS and returning customer) services; and

According to the Company's calculations, not including the Qualified Fuel Cell Provider Project ("Bloom") or RPS Charge, the monthly bill for a residential customer using 1,000 kWh on an annual average basis will be increased by approximately \$0.32 (or an increase of 0.20%).

On April 29, 2014, in PSC Order No. 8557, the PSC allowed the proposed rates and tariff changes to go into effect, with usage on or after June 1, 2014, on a temporary basis, but subject to refund with interest if the Commission later determines in a final order that such rates and charges are incorrect, unjust, or unreasonable.
