More specifically, Chesapeake requests permission to revise its current Transportation Rider to establish a new approach to its allocation of the cost of interstate pipeline capacity to transportation customers.

In addition, Chesapeake requests permission to make other changes throughout the Transportation Rider and its Gas Supplier Schedule either to clarify existing language or to modify the mechanics of the transportation program in order to improve efficiency. The proposed changes are shown in the redlined and clean copies of the Transportation Rider and Gas Supplier Schedule attached to the Application, which can found on the Commission's website at the following address: <http://depssc.delaware.gov/>.
