

**BEFORE THE PUBLIC SERVICE COMMISSION  
OF THE STATE OF DELAWARE**

**NOTICE OF A PUBLIC WORKSHOP**

The Delaware Public Service Commission Staff ("the Commission") will conduct a public workshop for the limited purpose of considering whether 26 Del. Admin. C. § 2000-3.8.2 should be amended to require additional notice or communication from utilities for Category 1B costs at the following time and location:

<u>DATE</u>	<u>TIME</u>	<u>LOCATION</u>
Thursday, May 11, 2017	1:00 p.m.	Public Service Commission 861 Silver Lake Boulevard Cannon Building, Suite 100 Dover, Delaware 19904

As a result of a formal complaint of Emblem Associates, LLC against Artesian Water Company, Inc. regarding a Contribution-In-Aid-Of-Construction dispute, in PSC Order No. 9038, the Commission directed the Staff to hold this workshop to consider whether the Commission's Regulation Docket No. 15 needed to address how water utilities provide notice to developers regarding CIAC payments can be improved.

Anyone who plans to attend the workshop is cautioned to consult the Commission's website on the day of the workshop for cancellation of or changes in the time, place or date of the event.

Interested persons or entities may file written comments by May 25, 2017. Any written comments must be sent to the Delaware Public Service Commission, 861 Silver Lake Blvd, Suite 100, Dover, DE 19904 or filed electronically to [psc@state.de.us](mailto:psc@state.de.us).

If you have a disability and wish to participate in these proceedings, please contact the Commission to discuss any auxiliary aids or services you might need to help you. You may contact the Commission in person, by writing, by telephone (including text telephone), by Internet e-mail, or other means.

If you have questions about this matter, you may call the Commission at 1-800-282-8574 (toll-free in Delaware) or (302) 736-7500 (voice and text telephone). You may also send questions by Internet e-mail addressed to [psc@state.de.us](mailto:psc@state.de.us); include "CIAC Notice" as the subject.
