However, in Order No. 9108, pursuant to 26 Del C. §306(c), the Commission authorized Delmarva to place a portion of its proposed increases into effect, subject to refund, sixty (60) days after the initial August 17, 2017 filing date, or on October 16, 2017. The Commission also granted Delmarva's request to accept the Company's current financial condition and credit rating as sufficient surety with respect to the implementation of the interim rates.

The Commission will make its decision on this matter on the basis of the record evidence taken at the public evidentiary hearings. The Commission may approve or reject, in whole or in part, the proposed increase and tariff revisions and may approve a different method for allocating any increase should one be found to be appropriate.
