**ORDER NO. 7784**

**AND NOW**, this 1st day of June, 2010:

**WHEREAS**, On March 3, 2010, Tidewater Utilities, Inc. ("Tidewater" or "Applicant") filed an application ("Application") with the Commission seeking a Certificate of Public Convenience and Necessity ("CPCN") to expand its facilities and operations in order to provide water services to one parcel of land east of Bridgeville, one parcel of land east of Delmar, one parcel of land south of Georgetown, one parcel of land west of Millsboro, Sussex County, Delaware ("Proposed Service Area"). The basis for the Application is Tidewater's possession of petitions requesting water services signed by all of the owners of the parcels of land comprising the Proposed Service Area in accordance with 26 *Del. C.* §203C(e)(1)b. With its Application, Tidewater filed evidence that it had mailed to the landowners in the Proposed Service Area notice of its application and the options available to the affected landowners. In addition, on Staff's direction, Tidewater published notice of its Application in two newspapers of general circulation. No comments regarding the Applicant or this Application have been received.

**WHEREAS,** the Commission Staff has completed its review and investigation of the Application and the Applicant. In a May 10, 2010 Memorandum to the Commission, Staff reports that Tidewater's Application meets all requirements for the granting of a CPCN under 26 Del. C. §203C and the Commission's *Regulations Governing Water Utilities Including the Public Service Commission's Jurisdiction to Grant and Revoke Certificates of Public Convenience and Necessity*, and recommends approval of the Application.

**WHEREAS,** for these reasons, the Commission finds that Tidewater has met all requirements for the granting of a CPCN and, therefore, the Commission shall approve the Application in PSC Docket No. 10-CPCN-06 as filed on March 3, 2010.

**NOW, THEREFORE, IT IS HEREBY ORDERED BY THE AFFIRMATIVE  
VOTE OF NOT FEWER THAN THREE COMMISSIONERS:**

1. That, pursuant to 26 Del. C. §203C(e), to the extent it is consistent with this Order, a Certificate of Public Convenience and Necessity is granted to Tidewater Utilities, Inc. to serve the area more specifically identified by the Sussex County Tax Map Parcel Numbers 532-23.00-26.00, 430-20.00-33.00, 133-9.00-25.00, and 233-9.00-4.00.

2. That Tidewater Utilities, Inc., shall comply with any and all federal, state, county, and local statutes, ordinances, orders, regulations, rules, and permit conditions that are applicable, or may become applicable, to any matter involving water utility services provided to the service territory granted by this Certificate of Public Convenience and Necessity.

3. That the Commission reserves the jurisdiction and authority to enter such further Orders in this matter as may be deemed necessary or proper.
