RETAIL COMSUMERS IN THE SERVICE)
TERRITORY OF DELMARVA POWER &) PSC DOCKET NO. 04-391
LIGHT COMPANY AFTER MAY 1, 2006)
(OPENED OCTOBER 19, 2004))

ORDER NO. 7846

AND NOW, this 21st day of September, 2010:

WHEREAS, in October 2005, the Delaware Public Service Commission (the "Commission") approved a Request for Proposal ("RFP") process for Delmarva Power & Light Company ("Delmarva") to procure supply from the wholesale electric market for resale to its Standard Offer Service ("SOS") customers, in accordance with the Electric Utility Restructuring Act of 1999 (the "Act");¹ and

WHEREAS, in April 2006, the General Assembly revised certain of the Act's SOS provisions but carried forward the RFP process established in this docket for procuring at least 30% of Delmarva's overall SOS load;² and

WHEREAS, after each of the first two SOS procurement years, the Commission changed the RFP process and the framework for public disclosure of the results;³ and

WHEREAS, in October 2008, the Commission, pursuant to 26 *Del. C.* §1007(c)(1) and its continuing jurisdiction in this docket, approved

¹See PSC Order No. 6746 (Oct. 11, 2005).

²See 26 *Del. C.* § 1007(c)(1)a, as added by the "Electric Utility Retail Customer Supply Act of 2006," 75 *Del. Laws ch. 242* (Apr. 6, 2006).

³See PSC Orders Nos. 7053 (Oct. 17, 2006) and 7284 (Sept. 18, 2007).

Delmarva's request to utilize a reverse auction process conducted by World Energy Solutions Inc. ("World Energy") in its next annual SOS procurement process;⁴ and

WHEREAS, in late 2008 and early 2009, Delmarva conducted its fourth annual SOS procurement, using the reverse auction, for supply contracts commencing on June 1, 2009;⁵ and

WHEREAS, on February 19, 2009, Boston Pacific provided a Final Report on the details of the fourth annual SOS procurement; and

WHEREAS, in a July 22, 2009 conference call, Delmarva invited all stakeholders in the Delaware SOS process to discuss possible changes to the process and the upcoming Delaware procurement schedule; and

WHEREAS, on October 6, 2009, the Commission approved changes to the procurement process;⁶ and

⁴ See Order No. 7461 (Oct. 7, 2008). The original RFP format was a simple sealed bid process in which bidders had one chance to submit bids for any or all available blocks without knowing other bids, the idea being that bidders would be forced to submit their best price. In contrast, the new reverse auction format relies upon bidders' awareness of other bidders' actions in an attempt to drive prices down. The Commission's consultant, Boston Pacific Company, Inc. ("Boston Pacific"), and World Energy set a starting price for each block prior to the submission of bids, and conduct a separate auction for each available block. The auctions open simultaneously, and bidders may submit as many bids as they like on each block as long as each bid is below the starting price. Once bidders submit bids, they can view the current low bid price as it ticks down over the course of the auction. The first block closes after 30 minutes with the lowest bid declared the winner. Another block closes every 15 minutes thereafter until the bid day is complete. After each block closes, bidders participating in that auction can see the winning price.

⁵ The procurement was conducted in two "tranches" and secured three-year supply contracts for one-third of the residential SOS load and one-year contracts for 100% of the load for other "fixed price" types of service. Boston Pacific, along with Staff, observed and evaluated the procurement of each tranche.

⁶ Order No. 7670, dated Oct. 6, 2009, changed FSA language pertaining to changes in PJM 's settlement rules and language in the Letter of Credit and updates to procurement amounts and dates.

WHEREAS, on July 29, 2010, Delmarva held a meeting for stakeholders to discuss, among other things, the SOS procurement process; and

WHEREAS, on September 1, 2010, Delmarva filed with the Commission the following changes to the procurement process that were discussed during the July 29 meeting:

- (a) Updating the RFP to reflect current procurement amounts and dates (See Exhibit B hereto);
- (b) Revising the RFP Section 7 (g), (h), (i) to provide bidders with additional load information about customer Network Service Peak Load Contribution prior to bidding.
- (c) Revising the FSA's Letter of Credit section to provide that the letters of credit required from suppliers are not transferrable or assignable and revising the definition of Letter(s) of Credit to be consistent with the language in the Letter of Credit.

WHEREAS, pursuant to 26 Del. C. § 1007(c)(1)(a), the Commission is specifically authorized to modify the SOS procurement process;⁷ and

WHEREAS, Staff has reviewed the revised bid documents provided by Delmarva that incorporate the changes described above and finds no issues with the proposed revisions to the FSA and RFP; and

⁷26 Del. C. §1007(c)(1)(a) provides, in part, the following: "At least 30 percent of the resource mix of DP&L shall be purchases made through the regional wholesale market via a bid procurement or auction process held by DP&L. Such process shall be overseen by the Commission *subject to the procurement process approved in PSC Docket #04-391 as may be modified by future Commission action.*" (Emphasis added.)

WHEREAS, no objections to the proposed revisions to the FSA and RFP have been received by the Commission;

NOW, THEREFORE, IT IS HEREBY ORDERED BY THE AFFIRMATIVE VOTE OF NOT FEWER THAN THREE COMMISSIONERS:

1. That the Full Requirements Service Agreement shall be revised as set forth in Exhibit A hereto.

2. That the Request for Proposals shall be revised as set forth in Exhibit B hereto.

3. That the Commission reserves the jurisdiction and authority to enter such further Orders as may be deemed necessary or proper.

- 2.2 Buyer's Obligation to Take Service. With respect to a Transaction, Buyer shall accept Full Requirements Service as provided by Seller pursuant to Section 2.1 (Seller's Obligation to Provide Service), and shall pay Seller the Weekly Settlement Amounts and the Monthly Settlement Amount for such Full Requirements Service on the applicable Weekly Settlement Date and Monthly Settlement Date in accordance with Section 7.3 (Payments of the Invoice).

- 2.3 Network Integration Transmission Service, Distribution Service, and Renewable Energy Resource Requirement. With respect to a Transaction, Buyer shall be responsible, at its sole cost and expense, for the provision of Network Integration Transmission Service, distribution service and the Renewable Energy Resource Requirement necessary to serve the Specified Percentage. Buyer is responsible, at its sole cost and expense, for future PJM charges assessed to network transmission customers for PJM-required transmission system enhancements pursuant to the PJM Regional Transmission Expansion Plan and for future PJM charges assessed to network transmission customers for transition costs related to the elimination of through-and-out transmission rates.
- 2.4 Other Changes in PJM Charges. Except as provided in Section 2.3 (Network Integration Transmission Service and Distribution Service), Seller bears the risk of any other changes in PJM products and pricing during the term of this Agreement. However if there are any other new FERC-approved PJM transmission charges other than those referred to in Section 2.3 or other new PJM charges and costs, charged to network transmission customers, that Seller believes the Buyer should recover through retail rates because they are directly related to the Buyer's obligations under the PSC Settlement, then Buyer will file with the Delaware PSC, and provide notice to all Parties (as that term is used in the PSC Settlement), a request for approval to recover such new costs. Seller is required to intervene in any such proceeding before the Delaware PSC. Such new costs can only be charged by Seller to Buyer to the extent that the Delaware PSC approves Buyer's recovery of those costs. Seller agrees to be bound by the decision of the Delaware PSC (subject to the normal rules for appeal of the decision of the Delaware PSC) and waives all claims concerning this issue before FERC. Notwithstanding the foregoing, nothing in this Agreement shall preclude Seller from taking any position before FERC regarding the creation and allocation of any such PJM charges.
- 2.5 Status of Seller. Seller, for purposes of this Agreement and any Transaction, is not a Load Serving Entity and nothing contained herein shall be deemed to cause Seller to be a Load Serving Entity.
- 2.6 Sales for Resale. All Full Requirements Service provided by Seller to Buyer shall be sales for resale, with Buyer reselling such Full Requirements Service to SOS Load customers. At Seller's request, Buyer shall provide Seller with mutually agreeable resale certificates related to the Full Requirements Service provided pursuant to this Agreement.
- 2.7 Governing Terms. Each Transaction shall be governed by this Agreement. This Agreement, including all exhibits hereto, any designated collateral, credit support, margin agreement or similar arrangements and all Transaction Confirmations shall form a single integrated agreement between Buyer and Seller. Any inconsistency between terms in this Agreement and terms in a Transaction Confirmation shall be resolved in favor of the terms of this Agreement.

- 2.8 Transaction Confirmation. A Transaction shall be documented in a Transaction Confirmation in the form attached hereto as Exhibit A. On the Business Day on which Seller is selected as a provider of Full Requirement Service, Buyer will forward by facsimile or other immediate means acceptable to both Parties, to Seller a partially executed Transaction Confirmation(s) and shall send by overnight delivery three (3) originals. Separate Transaction Confirmations will be executed for each winning bid. Should such Transaction(s) be the initial Transaction(s) with the Seller under the current RFP solicitation, then Buyer will forward by facsimile or other immediate means acceptable to both Parties, to Seller a partially executed Agreement, and shall send by overnight delivery three (3) originals. Except as otherwise provided in the RFP, by 2:00 p.m. EPT on the next Business Day following Seller's receipt of such facsimile of partially executed Transaction Confirmation(s) and Agreement, as applicable, Seller shall return by facsimile, or other immediate means acceptable to both Parties, to Buyer a fully executed Transaction Confirmation(s), and the Agreement signature page, as applicable, and shall send by overnight delivery two (2) originals. By close of the same Business Day on which Buyer is in receipt of such facsimile of fully executed Transaction Confirmation(s) and Agreement, as applicable, Buyer shall submit a copy of the Transaction Confirmation(s) to the Delaware PSC for review and determination of compliance with the Buyer's Bid Plan. The Transaction Confirmation(s) and Agreement will be deemed to be in compliance with the Bid Plan and approved by the Commission unless the Commission orders otherwise within two (2) Business Days following the submission.

- 3.3 Information Sharing.
- (a) On each Business Day after execution of this Agreement and to the end of the Delivery Period, Buyer shall provide to the Seller, on a reasonable efforts basis, Buyer's estimation of the Capacity PLC for the seventh following day, representing the Seller's Specified Percentage of each Service Type. Buyer does not warrant the accuracy of such information.
 - (b) On each Business Day of the Delivery Period, Buyer shall provide to the Seller, on a reasonable efforts basis, the energy and capacity information related to Seller's obligations under this Agreement that Buyer provides to PJM daily. Such information provided to the Seller shall be disaggregated by Service Type,

Transaction, voltage level, and customer class or partial customer class, where applicable. Buyer does not warrant the accuracy of such information.

(c) Beginning two (2) weeks prior to the beginning of the Delivery Period, on each Business Day until the Delivery Period, Buyer shall post on its website the estimated Capacity PLC for each Service Type on a reasonable efforts basis. Buyer does not warrant the accuracy of such information.

(d) Beginning two (2) weeks prior to the beginning of the Delivery Period, on each Business Day until the Delivery Period, Buyer shall post on its website the estimated SOS Load for each of the Buyer's Service Types on a reasonable efforts basis. Buyer does not warrant the accuracy of such information.

ARTICLE 4 SPECIAL TERMS AND CONDITIONS

- 4.1 Congestion and Congestion Management. Seller is responsible for any congestion costs incurred to supply the Specified Percentage. Notwithstanding Section 2.5 (Status of Seller), Buyer shall transfer or assign to Seller, Buyer's rights to Congestion Revenue Rights (CRRs) to which Buyer is entitled as an LSE pursuant to the PJM Agreements, provided that such rights are related to the service being provided to the Specified Percentage. All rights and obligations associated with such CRRs will accrue to the Seller through the transfer or assignment from Buyer to Seller including the ability of Seller to request or nominate such CRRs when applicable. Seller shall have the right to request and nominate CRRs if: (i) all Transactions for SOS Load have been executed and are in full force and effect; and (ii) the Delivery Period under each Transaction Confirmation is inclusive of the PJM Planning Period for which the CRRs are being requested or nominated. Should the conditions above not be met, the entity recognized by PJM as having the right to make the nominations at that time will nominate such CRRs for the upcoming PJM Planning Period and such CRRs will be allocated to Seller based upon its Specified Percentage. The allocation of CRRs associated with the Specified Percentage will be in accordance with the PJM Agreements.
- 4.2 Load Response Programs. Buyer will manage its load response programs in accordance with PJM Agreements as amended from time to time and with the provisions of its applicable riders and retail electric service tariffs, as amended and approved by the Delaware PSC from time to time or distribution utility customer contracts, as amended by the distribution utility from time to time.
- (a) Buyer shall be responsible for complying with all PJM Load Response program operating rules (including resource nominations, compliance reports, load drop estimates, and special studies) and any penalties assessed in accordance with the PJM Agreements for failure to implement its load response programs when so requested by PJM. Buyer shall be responsible for maintaining and operating any equipment currently relied upon to operate existing load response programs.

- (b) Buyer shall retain all of the benefits associated with its load response programs and shall be responsible for all customer incentive payments.
- (c) No claim shall be recognized that Buyer's operation of load response programs affects any Operating Reserve costs incurred by Seller.
- 4.3 PJM E-Accounts. Buyer and Seller shall work with PJM to establish any PJM E-Accounts necessary for Seller to provide Full Requirements Service. Buyer shall establish PJM E-Account contract(s) for the entire duration of the Transaction(s) and Seller shall confirm the PJM E-Account contract(s) for the entire duration of the Transaction(s).
- 4.4 Delaware Environmental Disclosure Requirements. To the extent that any environmental disclosure requirements are imposed on sellers of electricity within Delaware and subject to any applicable confidentiality requirements, Seller shall provide to Buyer, to the best of its knowledge, the generation resources used to supply Full Requirements Service, including fuel mix and environmental disclosure data. Seller and Buyer recognize that, due to difficulties in identifying specific generation resources used to meet Seller's obligations, the fuel mix and environmental data provided pursuant to this Section 4.4 may, in many instances, be based on aggregated data published by PJM. All information provided pursuant to this Section 4.4 (Delaware Environmental Disclosure Requirements) shall be provided in a timely manner and in an appropriate form (including to the extent applicable, information provided within the GATS) to enable Buyer to comply with the requirements of the Delaware PSC or any other Governmental Authority that relate to reporting such information.
- 4.5 Title Transfer. Seller shall cease to have title to, possession of, and risk of loss with respect to liability pursuant to Sections 9.1 (Seller's Indemnification for Third-Party Claim) and 9.2 (Buyer's Indemnification for Third-Party Claim) of Full Requirements Service scheduled and received or delivered hereunder at the Delivery Point(s). Seller warrants that it has good title to the Full Requirements Service sold and delivered hereunder and that it has the right to sell such Full Requirements Service. The word "loss" in this Section 4.6 (Title Transfer) does not encompass electrical transmission and distribution losses. As between Buyer and Seller only, Buyer shall take title to, possession of, and risk of loss with respect to liability pursuant to Sections 9.1 (Seller's Indemnification for Third-Party Claim) and 9.2 (Buyer's Indemnification for Third-Party Claim) of Full Requirements Service scheduled and received or delivered hereunder at the Delivery Point(s). Notwithstanding the foregoing, nothing contained in this Agreement is intended to create or increase liability of Buyer to any third party beyond such liability, if any, that would otherwise exist under the PJM Agreements or under applicable law if Buyer had not taken title.
- 4.6 PJM Settlement. For PJM settlement purposes only, the Seller's PJM obligations hereunder will settle at the Delmarva Power & Light Zone (PJM Pnode ID 51293).

- 4.7 Reliability Guidelines. Each Party agrees to adhere to the applicable operating policies, criteria and/or guidelines of the NERC, PJM, their successors, and any regional or sub regional requirements.

For the period of time that this Agreement is in effect, Seller shall be: (i) a member in good standing of PJM; and (ii) qualified as a PJM “Market Buyer” and “Market Seller” pursuant to the PJM Agreements. For the period of time that this Agreement is in effect, Buyer shall be: (i) a member in good standing of PJM; and (ii) qualified as a PJM “Load Serving Entity” pursuant to the PJM Agreements.
- 4.9 Declaration of Authority. For the period of time that this Agreement is in effect, both Buyer and Seller shall have executed the Declaration of Authority in the form attached hereto as Exhibit I.
- 4.10 FERC Authorization. For the period of time that this Agreement is in effect, Seller shall have FERC authorization to make sales of energy, capacity and ancillary services at market based rates within PJM.
- 4.11 Disclosure in the Event of Seller Default. If Seller defaults and this Agreement is terminated pursuant to Article 12 (Events of Default; Remedies), Buyer may disclose the terms of this Agreement and any Transaction Confirmation to all other non-defaulting wholesale suppliers providing service to Buyer pursuant to the Delaware PSC Order and the PSC Settlement. Such disclosure by Buyer shall be made for the purpose of allowing each non-defaulting wholesale supplier to make its Step-Up elections described in Section 4.12 (Seller Step-Up Rights) below.
- 4.12 Seller Step-Up Rights. In the event of an early termination of a full requirements service agreement and associated transactions pursuant to Delaware PSC Orders and the PSC Settlement between Buyer and an entity other than Seller, Buyer shall send a written notification to Seller which: (i) describes the individual supply obligations associated with the terminated transaction(s) for the remaining term(s) of such transaction(s), including all available information regarding the associated CRRs; and (ii) notifies Seller of its option to supply its full or partial pro-rata share of the supply obligation associated with each terminated transaction for the remaining term(s) of the terminated transaction(s), without change to the pricing, terms and conditions of the terminated full requirements service agreement and transaction(s). Such an agreement to make additional supply available shall be termed a “Step-Up”.

In the event that Seller wishes to exercise its option to Step-Up, Seller shall notify Buyer of such within five (5) Business Days of its receipt of Buyer’s notification. In Seller’s notification, Seller shall indicate: (i) the amount of the increased obligation that Seller wishes to take on in respect of certain specified

transaction(s) (which need not be all); and (ii) that it is willing to meet any additional collateral requirements related to the Step-Up. If other sellers do not exercise their option to Step-Up, Buyer shall again notify Seller as to the amount available for Step-Up and Seller will again have an option to take a full or partial pro-rata share of the amount that such other sellers declined to take. Seller's notification shall take place no later than two (2) Business Days of its receipt of Buyer's follow-up notification. Seller's pro-rata share, as described in this paragraph, shall be the ratio of Seller's total load obligation across all service types and customer classes at the time the Step-Up option is offered, stated on a Capacity PLC basis, to the total load being supplied under this Agreement and other full requirements service agreements pursuant to the Delaware PSC Orders and the PSC Settlement on a Capacity PLC basis, excluding the terminated transactions(s) and, if applicable, excluding the full requirement service agreements under which other sellers declined to exercise their Step-Up option in part or full.

For the avoidance of doubt, in the event that Seller does not respond to Buyer's Step-Up request within the relevant timeframe, Seller shall be deemed to have rejected the Buyer's request in full.

ARTICLE 5 TERM AND SURVIVAL

- 5.1 Term. Unless otherwise agreed upon by Buyer and Seller, this Agreement shall continue in full force and effect from the Effective Date until the end of all Transaction(s) executed under this Agreement, unless this Agreement is terminated early pursuant to Article 12 of this Agreement.
- 5.2 Survival. All provisions of this Agreement which must, in order to give full force and effect to the rights and obligations of the Parties hereto, survive termination or expiration of this Agreement, shall so survive, including, without limitation, Articles 9, 10 and 12.

ARTICLE 6 DETERMINATION OF DELIVERED QUANTITIES

- 6.1 Monthly Settlement Load. The amount of Monthly Settlement Load with respect to any calendar month during the Delivery Period shall be determined in terms of megawatt-hours (MWh) of Energy. The MWh of Energy shall be equivalent to the amount of Energy reported as the Seller's Specified Percentage obligation by Buyer to PJM, adjusted for losses to reflect retail meter load in accordance with Buyer's initial and subsequent retail load settlement processes.

- 6.2. Weekly Settlement Load. The amount of Weekly Settlement Load with respect to any Weekly Settlement Dates during the Delivery Period shall be determined in terms of megawatt-hours (MWh) of Energy. The MWh of Energy shall be equivalent to the amount of Energy reported as the Seller's Specified Percentage obligation by Buyer to PJM, adjusted for losses to reflect retail meter load in accordance with Buyer's initial retail load settlement processes.
- 6.3. Base Load and Increment Load Percentages. For R and Small C&I FP-SOS, the Base Load Percentage shall equal 100% and the Increment Load Percentage shall equal 0% for the entire term of this Agreement. For FP-SOS provided to MGS-S, LGS-S and GS-P customers, the Base Load Percentage and Increment Load Percentage shall be determined as set forth below.

(a) Base Load Percentage.

- i. Upon the date of execution of each Transaction for MGS-S, LGS-S and GS-P FP-SOS, Buyer shall determine the Capacity PLC, stated in megawatts, associated with each Bid Block in each Transaction ("Base PLC Per Bid Block"). Subsequent to the determination of the Base PLC Per Bid Block, and on each Business Day thereafter, Buyer shall determine the Capacity PLC, stated in megawatts, associated with each Bid Block in each Transaction ("PLC Per Bid Block"). The Base Load Percentage shall equal 100% if the PLC Per Bid Block is less than or equal to the Base PLC Per Bid Block plus five (5) megawatts. The Base Load Percentage shall equal the product of: (i) the quotient of the Base PLC Per Bid Block plus five (5) megawatts and the PLC Per Bid Block; and (ii) 100 if the PLC Per Bid Block is greater than the Base PLC Per Bid Block plus five (5) megawatts. On any Business Day when the PLC Per Bid Block is equal to or less than the Base PLC Per Bid Block minus three (3) megawatts, a new Base PLC Per Bid Block shall be established and shall equal the Base PLC Per Bid Block in effect the day prior to such event, minus three (3) megawatts for each whole multiple of three (3) megawatts that the PLC Per Bid Block is below the prior day Base PLC Per Bid Block. Such new Base PLC Per Bid Block shall replace the prior Base PLC Per Bid Block in all aspects of determining the Base Load Percentage subsequent to such new Base PLC Per Bid Block becoming effective.
- ii. At any time the Capacity PLCs are re-determined by the Buyer in accordance with the PJM Agreements, Buyer shall negate the effect of such re-determination on the PLC Per Bid Block. Accordingly, the daily determination of PLC Per Bid Block subsequent to each such PLC re-determination, shall equal the PLC per bid block computed by Buyer each day using the re-determined PLCs ("Unadjusted PLC Per Bid Block") minus the difference of: (i) Unadjusted PLC Per Bid Block computed by Buyer on the day such re-determined PLCs

become effective; and (ii) the PLC Per Bid Block determined on the day prior to the re-determined PLCs becoming effective. For further clarity, Exhibit H contains an example of the calculation described in this Section 6.2(a) (ii). On any Business Day, an increment is triggered when customers eligible to return to SOS have the effect that the PLC per Bid Block is greater than the Base PLC per Bid Block plus five (5) megawatts. Customers migrating from SOS to alternate suppliers or migrating from the service territory or whose electric service is terminated such that the PLC per Bid Block is equal to or less than the Base PLC per Bid Block minus (3) megawatts would trigger a decrement.

- (b) Increment Load Percentage. Seller shall not be responsible for supplying the Increment Load Percentage, which shall be equal to 100% minus the Base Load Percentage.

ARTICLE 7 BILLING AND SETTLEMENT

7.1 Billing. Consistent with PJM settlement dates, Buyer shall deliver to Seller, via electronic transmission or other means agreed to by the Parties, an invoice (“Invoice”) that sets forth the total amount due for the previous calendar month for all Transactions. The Invoice shall detail for each Transaction the following:

- (a) Monthly Settlement Base Load
- (b) Monthly Settlement Base Price
- (c) Monthly Settlement Amount
- (d) Weekly Settlement Base Load
- (e) Weekly Settlement Base Price
- (f) Weekly Settlement Amount
- (g) PJM billing adjustments
- (h) Any other adjustments set forth in this Agreement

7.2 PJM Billing.

- (a) Buyer and Seller shall direct PJM to invoice Seller and Buyer for charges and credits relating to Seller’s and Buyer’s rights and obligations under this Agreement as set forth in Exhibit D attached hereto and made a part hereof. If PJM is unable to invoice charges or credits in accordance with Exhibit D, Buyer shall rectify such PJM invoice discrepancy in the Invoice sent pursuant to Section 7.1 (Billing).

(b) The Parties agree that the PJM bill may change from time to time. Allocation of any charges that are reflected in a PJM bill that are not included on or are inconsistent with Exhibit D will be determined pursuant to Sections 2.3 (Network Integration Transmission Service and Distribution Service), 2.4 (Other Changes in PJM Charges), and 16.11 (PJM Agreement Modifications) of this Agreement.

7.3 Payment of the Invoice. On the PJM Settlement Dates, Buyer will pay to Seller, or Seller will pay to the Buyer, as the case may be, the total amount due in the applicable Invoice. All payments shall be made by “Electronic Funds Transfer” (EFT) via “Automated Clearing House” (ACH), to a bank designated in writing by such Party, by 12:00 p.m. EPT on the Weekly Settlement Date and the Monthly Settlement Date. Payment of Invoices shall not relieve the paying Party from any other responsibilities or obligations it has under this Agreement (other than the obligation to make such payment), nor shall such payment constitute a waiver of any claims arising hereunder.

7.4 Netting of Payments. Buyer and Seller shall discharge mutual debts and payment obligations due and owing to each other under this Agreement, as of the Weekly Settlement Date and the Monthly Settlement Date, such that all amounts owed by each Party to the other Party shall be reflected in a single amount due to be paid by the Party who owes it and received by the other Party, provided that the calculation of the net amount shall not include any disputed amounts being withheld pursuant to Section 7.5 (Billing Disputes and Adjustment of Invoices).

7.5 Billing Disputes and Adjustments of Invoices.

(a) Consistent with the PJM rules as they may be revised in accordance with Settlement C, Buyer may, in good faith, adjust the Invoice to include revised load data or correct any errors. In the event Settlement C is not adopted by PJM, any adjustment to include revised load data or to correct any errors must occur within 12 months from the date on which an Invoice is issued. The adjustment shall include interest calculated at the Interest Rate from the original due date to the date of payment. Buyer shall provide Seller a written explanation of the basis for the adjustment.

(b) Within twelve (12) months of the date on which an Invoice is issued or an Invoice is adjusted pursuant to Section 7.5(a) (Billing Disputes and Adjustment of Invoices), or within the period established in Settlement C, whichever is shorter, Seller may, in good faith, dispute the correctness of such Invoice or adjustment, pursuant to the provisions of Article 13 (Dispute Resolution), and provided that Seller has paid by the Monthly Settlement Date any portion of an Invoice that is not disputed.

(c) Within twelve (12) months of the date on which a PJM bill is issued, or within the period established in Settlement C, whichever is shorter, Buyer or Seller

may, in good faith, dispute the correctness of any such PJM bill, pursuant to the provisions of Article 13 (Dispute Resolution), and provided that the disputing Party has paid by the Monthly Settlement Date any portion of an Invoice that is not disputed.

(d) A failure to raise a dispute applicable under subsections 7.5(a)-(c) within such 12 month period, or within the period established in Settlement C, whichever is shorter, shall be deemed to bar Buyer or Seller from raising such dispute as it applies between Buyer and Seller.

7.6 Interest on Unpaid Balances. Interest on delinquent amounts, other than amounts in dispute as described in Section 7.5 (Billing Disputes and Adjustment of Invoices), shall be calculated at the Interest Rate from the original due date to the date of payment.

ARTICLE 8 TAXES

8.1 Cooperation. Each Party shall use reasonable efforts to implement the provisions of and administer this Agreement in accordance with the intent of the Parties to minimize taxes, so long as neither Party is materially adversely affected by such efforts.

8.2 Taxes.

(a) As between the Parties: (i) Seller is responsible for the payment of all taxes imposed by any Governmental Authority on the wholesale sales of Full Requirements Service under this Agreement; and (ii) Buyer is responsible for the payment of all taxes imposed by any Governmental Authority on retail sales of Full Requirements Service under this Agreement.

(b) Any Party paying taxes that should have been paid by the other Party pursuant to Section 8.2(a) (Taxes), shall be reimbursed by such other Party in the next invoice issued pursuant to Section 7.1 (Billing).

8.3 Disclosure of Tax Treatment. Notwithstanding anything to the contrary in this Agreement or in the RFP and appendices thereto, Seller and Buyer agree that (i) any obligation of confidentiality with respect to the Parties' Transactions hereunder does not apply, and has not applied from the commencement of discussions between the Parties, to the tax treatment and tax structure of the Agreement and all Transactions thereunder, and (ii) Seller and Buyer (and each of their respective employees, representatives, or agents) may disclose to any and all persons, without limitation of any kind, the tax treatment and tax structure of the Agreement and the Transactions thereunder, as well as any materials of any kind (including opinions or other tax analyses) that have been provided to the

disclosing Party relating to such tax treatment and tax structure, all within the meaning of Treasury Regulations Section 1.6011-4; provided, however, that the foregoing is not intended to affect any privileges that each Party is entitled, in its sole discretion, to maintain, including with respect to any confidential communications with its attorney or any confidential communications with a federally authorized tax practitioner under Section 7525 of the Internal Revenue Code.

ARTICLE 9 INDEMNIFICATION

- 9.1 Seller's Indemnification for Third-Party Claims. Seller shall indemnify, hold harmless, and defend Buyer and its Affiliates, and their respective officers, directors, employees, agents, contractors, subcontractors, invitees, successors, representatives and permitted assigns (collectively, "Buyer's Indemnitees") from and against any and all claims, liabilities, costs, losses, damages, and expenses including reasonable attorney and expert fees, disbursements actually incurred, and any penalties or fines imposed by Government Authorities in any action or proceeding between Buyer and a third party for damage to property of unaffiliated third parties, injury to or death of any person, to the extent directly caused by the gross negligence or willful misconduct of Seller and/or its officers, directors, employees, agents, contractors, subcontractors or invitees arising out of or connected with Seller's performance under this Agreement, Seller's exercise of rights under this Agreement, or Seller's breach of this Agreement.
- 9.2 Buyer's Indemnification for Third-Party Claims. Buyer shall indemnify, hold harmless, and defend Seller and its Affiliates, and their respective officers, directors, employees, agents, contractors, subcontractors, invitees, successors, representatives and permitted assigns (collectively, "Seller's Indemnitees") from and against any and all claims, liabilities, costs, losses, damages, and expenses including reasonable attorney and expert fees, disbursements actually incurred, and any penalties or fines imposed by Government Authorities in any action or proceeding between Seller and a third party for damage to property of unaffiliated third parties, injury to or death of any person, to the extent directly caused by the gross negligence or willful misconduct of Buyer and/or its officers, directors, employees, agents, contractors, subcontractors or invitees arising out of or connected with Buyer's performance under this Agreement, Buyer's exercise of rights under this Agreement, or Buyer's breach of this Agreement.
- 9.3 Indemnification Procedures. If either Party intends to seek indemnification under Sections 9.1 (Seller's Indemnification for Third-Party Claims) or 9.2 (Buyers Indemnification for Third-Party Claims), as applicable, from the other Party, the Party seeking indemnification shall give the other Party notice of such claim within ninety (90) days of the later of the commencement of, or the Party's actual knowledge of, such claim or action. Such notice shall describe the claim in

reasonable detail, and shall indicate the amount, estimated if necessary, of the claim that has been, or may be, sustained by said Party. To the extent that the other Party will have been actually and materially prejudiced as a result of the failure to provide such notice, such notice will be a condition precedent to any liability of the other Party under the provisions for indemnification contained in this Agreement. Neither Party may settle or compromise any claim without the prior consent of the other Party; provided, however, said consent shall not be unreasonably withheld or delayed.

ARTICLE 10 LIMITATIONS ON LIABILITY

- 10.1 Limitation of Remedies, Liability and Damages. EXCEPT AS SET FORTH IN THIS AGREEMENT, THERE IS NO WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, AND ANY AND ALL IMPLIED WARRANTIES ARE DISCLAIMED. THE PARTIES CONFIRM THAT THE EXPRESS REMEDIES AND MEASURES OF DAMAGES PROVIDED IN THIS AGREEMENT SATISFY THE ESSENTIAL PURPOSES HEREOF. FOR BREACH OF ANY PROVISION FOR WHICH AN EXPRESS REMEDY OR MEASURE OF DAMAGES IS PROVIDED, SUCH EXPRESS REMEDY OR MEASURE OF DAMAGES SHALL BE THE SOLE AND EXCLUSIVE REMEDY, THE OBLIGOR'S LIABILITY SHALL BE LIMITED AS SET FORTH IN SUCH PROVISION AND ALL OTHER REMEDIES OR DAMAGES AT LAW OR IN EQUITY ARE WAIVED. IF NO REMEDY OR MEASURE OF DAMAGES IS EXPRESSLY PROVIDED HEREIN, THE OBLIGOR'S LIABILITY SHALL BE LIMITED TO DIRECT ACTUAL DAMAGES ONLY, SUCH DIRECT ACTUAL DAMAGES SHALL BE THE SOLE AND EXCLUSIVE REMEDY AND ALL OTHER REMEDIES OR DAMAGES AT LAW OR IN EQUITY ARE WAIVED. UNLESS EXPRESSLY HEREIN PROVIDED, NEITHER PARTY SHALL BE LIABLE FOR CONSEQUENTIAL, INCIDENTAL, PUNITIVE, EXEMPLARY OR INDIRECT DAMAGES, LOST PROFITS OR OTHER BUSINESS INTERRUPTION DAMAGES, BY STATUTE, IN TORT OR CONTRACT, UNDER ANY INDEMNITY PROVISION OR OTHERWISE. IT IS THE INTENT OF THE PARTIES THAT THE LIMITATIONS HEREIN IMPOSED ON REMEDIES AND THE MEASURE OF DAMAGES BE WITHOUT REGARD TO THE CAUSE OR CAUSES RELATED THERETO, INCLUDING THE NEGLIGENCE OF ANY PARTY, WHETHER SUCH NEGLIGENCE BE SOLE, JOINT OR CONCURRENT, OR ACTIVE OR PASSIVE. TO THE EXTENT ANY DAMAGES REQUIRED TO BE PAID HEREUNDER ARE LIQUIDATED, THE PARTIES ACKNOWLEDGE THAT THE DAMAGES ARE DIFFICULT OR IMPOSSIBLE TO DETERMINE, OR OTHERWISE OBTAINING AN ADEQUATE REMEDY IS INCONVENIENT AND THE

DAMAGES CALCULATED HEREUNDER CONSTITUTE A REASONABLE APPROXIMATION OF THE HARM OR LOSS.

- 10.2 Limitation on Buyer Liability for Conduct of Consultant. As set forth in the PSC Settlement and Delaware PSC Orders, Buyer is obligated to share certain information with a consultant (“PSC Consultant”) chosen and supervised by the Delaware PSC and its Staff. Notwithstanding anything set forth in this Agreement, in no event will Buyer have any liability of any kind with respect to Sellers for any conduct of the PSC Consultant, except to the extent of any remedy that Buyer actually recovers from the PSC Consultant.

ARTICLE 11 FORCE MAJEURE

- 11.1 Force Majeure. Notwithstanding anything in this Agreement to the contrary, the Parties shall be excused from performing their respective obligations under this Agreement (other than the obligation to make payments with respect to performance prior to the event of Force Majeure) and shall not be liable for damages or otherwise due to their failure to perform, during any period that one Party is unable to perform due to an event of Force Majeure, provided that the Party declaring an event of Force Majeure shall: (i) act expeditiously to resume performance; (ii) exercise all commercially reasonable efforts to mitigate or limit damages to the other Party; and (iii) fulfill the requirements set forth in Section 11.2 (Notification).
- 11.2 Notification. A Party unable to perform under this Agreement due to an event of Force Majeure shall: (i) provide prompt written notice of such event of Force Majeure to the other Party, which shall include an estimate of the expected duration of the Party’s inability to perform due to the event of Force Majeure; and (ii) provide prompt notice to the other Party when performance resumes.

ARTICLE 12 EVENTS OF DEFAULT; REMEDIES

- 12.1 Events of Default. An “Event of Default” shall mean, with respect to a Party (“Defaulting Party”), the occurrence of any of the following:
- (a) the failure to make, when due, any payment required pursuant to this Agreement if such failure is not remedied within two (2) Business Days after written notice;

- (b) any representation or warranty made by such Party herein or in response to the RFP is false or misleading in any material respect when made or when deemed made or repeated;
- (c) the failure of a Party to comply with the requirements of Section 4.8 (PJM Membership) and 4.10 (FERC Authorization) if such failure is not remedied within three (3) Business Days after written notice, provided, however, that if such failure can be rectified and the Seller is in the process of rectifying the failure, then the Event of Default shall be tolled for up to thirty (30) days;
- (d) PJM has declared a Party to be in default of any provision of any PJM Agreement, which default prevents a Party's performance hereunder if such failure is not remedied within three (3) Business Days after written notice;
- (e) the failure to perform any material covenant or obligation set forth in this Agreement (except to the extent constituting a separate Event of Default) if such failure is not remedied within three (3) Business Days after written notice;
- (f) such Party becomes Bankrupt;
- (g) such Party consolidates with, or merges with or into, or transfers all or substantially all of its assets to, another entity, or assigns the Agreement or any rights, interests, or obligations hereunder without the prior written consent of the other Party when such consent is required, and, at the time of such consolidation, merger, transfer or assign, the resulting, surviving, transferee, or assigned entity fails to assume all the obligations of such Party under this Agreement to which it or its predecessor was a party by operation of law or pursuant to an agreement reasonably satisfactory to the other Party;
- (h) the occurrence and continuation of: (i) a default, event of default or other similar condition or event in respect of such Party under one or more agreements or instruments, individually or collectively, relating to indebtedness for borrowed money in an aggregate amount of not less than five percent (5%) of such Party's TNW, which results in such indebtedness becoming immediately due and payable or; (ii) a default by such Party in making on the due date therefore one or more payments, individually or collectively, in an aggregate amount of not less than five percent (5%) of such Party's TNW.
- (i) the failure of a Party to comply with its obligations pursuant to Article 14 (Performance Assurance/Accelerated Payments) if such failure is not remedied within three (3) Business Days after written notice.
- (j) with respect to Seller's Guarantor if any:
 - i. if any representation or warranty made by the Guarantor in connection with this Agreement is false or misleading in any material respect when made or when deemed made or repeated;
 - ii. the failure of the Guarantor to make any payment required or to perform any other material covenant or obligation in any guaranty made in connection with this Agreement and such failure shall not be remedied within three (3) Business Days after written notice;

- iii. the failure of the Guarantor's guaranty to be in full force and effect for purposes of this Agreement (other than in accordance with its terms) prior to the satisfaction of all obligations of such Party under this Agreement without the written consent of the other Party;
- iv. the Guarantor repudiates, disaffirms, disclaims, or rejects, in whole or in part, or challenges the validity of any guaranty; or
- v. conditions described with respect to a Party in subparagraph (f) of this Section 12.1 (Events of Default) occurs with respect to its Guarantor.

12.2 Remedies. If an Event of Default with respect to a Defaulting Party shall have occurred and be continuing, the other Party (the "Non-Defaulting Party"), shall provide written notice to the Defaulting Party and shall have the right to temporarily suspend performance pursuant to Section 12.2(a) or implement all remedies pursuant to Section 12.2(b):

- (a) If an Event of Default has occurred and is continuing, the Non-Defaulting Party shall have the right to suspend performance, provided that such suspension shall not continue for longer than ten (10) Business Days. At any time during or subsequent to the temporary suspension of performance, the Non-Defaulting Party may proceed with the steps outlined in Section 12.2(b). If, by the end of the ten (10) Business Day period of suspension, the Non-Defaulting Party has not commenced the implementation of the remedies pursuant to Section 12.2(b), then the Non-Defaulting Party must resume performance of its obligations under this Agreement.
- (b) In addition to any other remedies available at law or in equity to the Non-Defaulting Party, if an Event of Default has occurred and is continuing, the Non-Defaulting Party shall have the right to implement all, but not less than all, the following remedies:
 - i. Suspend performance and designate a day, in such notice, no earlier than the day such notice is effective and no later than twenty (20) (calendar) days after such notice is effective, as an early termination date ("Early Termination Date") for the purposes of determining the Settlement Amount;
 - ii. calculate and receive from the Defaulting Party, payment for any Default Damages the Non-Defaulting Party incurs as of the date of the event giving rise to the Event of Default, until the earlier of: (i) the Early Termination Date (if applicable); or (ii) the Event of Default has been cured by the Defaulting Party; or (iii) the Non-Defaulting Party waives such Event of Default; and
 - iii. withhold any payments due to the Defaulting Party under this Agreement as an offset to any Default Damages or Termination Payment, as defined in Section 12.3 (Calculation and Net Out of Settlement Amounts).

- (c) If an Event of Default has occurred and the Non-Defaulting Party is the Buyer, then:
- i. unless the Event of Default was a failure by Seller to meet any or all of its Full Requirements Service obligations, Buyer may offer to waive the default on such terms and conditions as Buyer, at its sole discretion, may deem appropriate to propose (“Special Remedy”); provided however that;
 - ii. any such Special Remedy can only be offered to Seller if it first is specifically approved by the Delaware PSC in accordance with PSC Settlement.

12.3 Calculation and Net Out of Settlement Amounts.

- (a) The Non-Defaulting Party shall calculate, in a commercially reasonable manner, a Settlement Amount for each such Terminated Transaction as of the Early Termination Date or, to the extent that in the reasonable opinion of the Non-Defaulting Party certain of such Terminated Transactions are commercially impracticable to liquidate and terminate or may not be liquidated and terminated under applicable law on the Early Termination Date, as soon thereafter as is reasonably practicable. For purposes of calculating the Settlement Amount, the Non-Defaulting Party shall reflect the net impact of the exercise of the option on the part of other wholesale suppliers as described in Section 4.12 (Seller Step-Up Rights) of this Agreement. The Non-Defaulting Party shall aggregate all Settlement Amounts into a single liquidated amount (the “Termination Payment”) by netting out: (i) all Settlement Amounts that are due to the Defaulting Party, plus, at the option of the Non-Defaulting Party, any cash or other form of security then available to the Non-Defaulting Party pursuant to Article 14 (Performance Assurance/Accelerated Payments), plus any or all other amounts due to the Defaulting Party under this Agreement; against (ii) all Settlement Amounts that are due to the Non-Defaulting Party plus any or all other amounts due to the Non-Defaulting Party, including but not limited to Default Damages, under this Agreement. The Termination Payment shall be due to or due from the Non-Defaulting Party as appropriate. When the Buyer is the Non-Defaulting Party and replaces Seller’s full requirements obligation under this Agreement through mechanisms specified in the PSC Settlement, the result of that procedure will be deemed to be commercially reasonable for purposes of calculating the Settlement Amount.

- Seller may, in its sole discretion, add subsection 12.3(b) included in Exhibit J by checking this box. If Seller does not check this box, subsection 12.3(b) will not be included as part of the Parties’ Agreement.

- 12.4 Notice of Termination Payment. As soon as practicable after an Early Termination Date is declared, the Non-Defaulting Party shall provide written notice to the Defaulting Party of the amount of the Termination Payment and whether the Termination Payment is due to or due from the Non-Defaulting Party. The notice shall include a written statement explaining in reasonable detail the calculation of such amount. The owing Party shall make the Termination Payment within five (5) Business Days after such notice is effective.
- 12.5 Disputes With Respect to Termination Payment. If the Defaulting Party disputes the Non-Defaulting Party's calculation of the Termination Payment, in whole or in part, the Defaulting Party shall, within five (5) Business Days of receipt of Non-Defaulting Party's calculation of the Termination Payment, provide to the Non-Defaulting Party a notice that it intends to dispute the calculation of the Termination Payment ("Termination Payment Dispute Notice"), pursuant to the provisions of Article 13 (Dispute Resolution), and provided, however, that if the Termination Payment is due from the Defaulting Party, the Defaulting Party shall first transfer collateral to the Non-Defaulting Party in an amount equal to the Termination Payment, such collateral to be in a form acceptable to the Non-Defaulting Party by the Termination Payment Date.
- 12.6 Closeout Setoffs. After calculation of a Termination Payment in accordance with Section 12.3, (Calculation and Net Out of Settlement Amounts) if the Defaulting Party would be owed the Termination Payment, the Non-Defaulting Party shall be entitled, at its option and in its discretion, to: (i) set off against such Termination Payment any amounts payable by the Defaulting Party to the Non-Defaulting Party under any other agreements, instruments or undertakings between the Defaulting Party and the Non-Defaulting Party; and/or (ii) to the extent the Transactions are not yet liquidated in accordance with Section 12.2 (a), withhold payment of the Termination Payment to the Defaulting Party. The remedy provided for in this Article shall be without prejudice and in addition to any right of setoff, combination of accounts, lien or other right to which any Party is at any time otherwise entitled (whether by operation of law, contract or otherwise). If any obligation is unascertained, the Non-Defaulting Party may in good faith estimate that obligation and set-off in respect of the estimate, subject to the Non-Defaulting Party accounting to the Defaulting Party when the obligation is ascertained.
- 12.7 Duty to Mitigate. Each Party agrees that it has a duty to mitigate damages and covenants that it will use commercially reasonable efforts to minimize any damages it may incur as a result of the other Party's failure to perform pursuant to this Agreement.

ARTICLE 13
DISPUTE RESOLUTION

- 13.1 Informal Dispute Resolution. Before pursuing resolution of any dispute arising out of this Agreement, the disputing Party shall provide written notice to the other Party setting forth the nature of the dispute, the amount involved, if any, and the remedies sought. The Parties shall use good faith and reasonable commercial efforts to informally resolve such dispute. Such efforts shall last for a period of at least thirty (30) calendar days from the date that the notice of the dispute is first delivered from one Party to the other Party. Any amounts that are owed by one Party to the other Party as a result of resolution of a dispute pursuant to this Section 13.1 (Informal Dispute Resolution), shall be paid within two (2) Business Days of such resolution and the payment shall include interest calculated at the Interest Rate from the original due date through the date of payment.
- 13.2 Formal Dispute Resolution. After the requirements of Section 13.1 (Informal Dispute Resolution) have been satisfied, all disputes, except as noted below, between the Parties shall be submitted to the appropriate authority. Notwithstanding anything set forth in this Article 13 (Dispute Resolution), any dispute concerning an increase in the Renewable Energy Resource requirement described in Section 4.4 (Renewable Energy Resource Requirement) will be resolved in accordance with the procedures set forth in Section 4.4 (Renewable Energy Resource Requirement), and any dispute concerning new PJM charges will be resolved in accordance with the procedures set forth in Section 2.4 (Other Changes in PJM Charges).

ARTICLE 14
PERFORMANCE ASSURANCE/ACCELERATED PAYMENTS

- 14.1 Requirement for Performance Assurance. With respect to Aggregate Transactions, if at any time and from time to time during the term of this Agreement, Aggregate Buyer's Exposure exceeds the Unsecured Credit on any Business Day, then Buyer shall request that Seller post Performance Assurance in an amount equal to the amount by which Aggregate Buyer's Exposure exceeds the Unsecured Credit (rounding upwards to the nearest \$100,000), less any Performance Assurance already posted with Buyer. Notwithstanding the above, Seller shall only be required to post the required Performance Assurance to the extent the amount of required Performance Assurance is equal to or greater than \$500,000. Subsequent and incremental requests for Performance Assurance shall be in \$100,000 increments. Buyer's request for Performance Assurance shall not be disputed by Seller.
- 14.2 Performance Assurance Transfers/Returns. If the request for Performance Assurance is made by Buyer before 1:00 p.m. EPT on a Business Day, then if

Seller is posting cash as the form of Performance Assurance Collateral, Seller shall be required to deliver the Performance Assurance cash to Buyer on the Business Day following the date of such request; and if Seller is posting a Letter of Credit or other security as acceptable to Buyer as the form of Performance Assurance collateral, Seller shall be required to deliver the Performance Assurance Letter of Credit or other security on the second Business Day following the date of such request. If a request for Performance Assurance is made by Buyer at or after 1:00 p.m. EPT, then if Seller is posting cash as the form of Performance Assurance collateral, Seller shall be required to deliver the Performance Assurance cash to Buyer on the second Business Day following the date of such request; and if Seller is posting a Letter of Credit or other security as acceptable to Buyer as the form of Performance Assurance collateral, Seller shall be required to deliver the Performance Assurance Letter of Credit or other security on the third Business Day following the date of such request. Telephone, facsimile, or other communication means mutually acceptable by the Parties, are suitable means for the Buyer to make requests for Performance Assurance. If Seller provides its Performance Assurance collateral in cash, in whole or in part, Seller will also simultaneously grant Buyer a first-priority security interest in that cash, in a form mutually acceptable to Buyer and Seller. Buyer shall not be entitled to hold Performance Assurance in the form of cash; rather, Performance Assurance in the form of cash shall be held in any major U.S. commercial bank, or a foreign bank with a U. S. branch office, (which is not the Buyer or an affiliate of the Buyer), and has assets of at least \$10 billion and a credit rating of at least "A" by Standard and Poor's, or "A2" by Moody's Investor Services ("Qualified Institution"). The Buyer will pay to Seller on the first Business Day of each calendar quarter the amount of interest it receives based upon the applicable overnight repurchase interest rate from the Qualified Institution on any Performance Assurance in the form of cash posted by Seller. The interest amount or portion thereof not returned to Seller pursuant to this Section 14.2 will constitute Performance Assurance and will be subject to the provisions of Article 14 of this Agreement.

On any Business Day (but no more frequently than weekly with respect to Letters of Credit or other security acceptable to Buyer, and daily with respect to cash), Seller, at its sole cost, may request that the Performance Assurance be reduced correspondingly to reflect the decrease in Buyer's Exposure or an increase in Seller's Unsecured Credit, if any (rounding upwards for any fractional amount to the nearest \$100,000). Buyer shall be required to return the amount of Performance Assurance due in accordance with the timeframes set forth in the preceding paragraph. Telephone, facsimile, or other communication means mutually acceptable by the Parties, are suitable means for the Seller to make requests for return of Performance Assurance.

In the event that Seller fails to provide Performance Assurance or Buyer fails to return Performance Assurance pursuant to the terms of this Article 14 (Performance Assurance/Accelerated Payments) within the applicable

timeframes, then an Event of Default pursuant to Section 12.1(i) shall be deemed to have occurred with respect to the non-performing Party and the other Party will be entitled to the remedies set forth therein.

In instances caused by the timing of the requests for both the return of Performance Assurance and placement of Performance Assurance, a situation may arise where the Parties are both sending and receiving transactions on the same day. In these instances, the Parties may net the requested amounts and proceed with only one transaction. Netting is only permitted for Performance Assurance purposes if it is mutually agreed to by both Parties in advance and confirmed in advance.

- 14.3 Unsecured Credit. During the term of this Agreement, Buyer shall extend, solely with respect to the Performance Assurance set forth in Section 14.1 (Requirement for Performance Assurance), Unsecured Credit to Seller in an amount initially determined on the Effective Date and redetermined each Business Day thereafter pursuant to this Section 14.3.

The relevant Unsecured Credit Cap shall be the Unsecured Credit Cap listed in the following table that corresponds to Seller's (or Seller's Guarantor's) lowest Credit Rating most recently published by S&P, Fitch and/or Moody's. The relevant TNW Amount shall be calculated using the TNW Percentage listed in the following table that corresponds to Seller's (or Seller's Guarantor's) lowest Credit Rating most recently published by S&P, Fitch and/or Moody's.

Credit Rating			<u>TNW Percentage</u>	<u>Unsecured Credit Cap</u>
<u>S&P</u>	<u>Fitch</u>	<u>Moody's</u>		
A or above	A or above	A2 or above	15%	\$125,000,000
A-	A-	A3	10%	\$100,000,000
BBB+	BBB+	Baa1	8%	\$75,000,000
BBB	BBB	Baa2	6%	\$50,000,000
BBB-	BBB-	Baa3	4%	\$25,000,000
BB+	BB+	Ba1	2%	\$15,000,000
BB	BB	Ba2	1%	\$10,000,000
BB-	BB-	Ba3	0.5%	\$5,000,000
Below BB-	Below BB-	Below Ba3	0%	\$0.00

- 14.4 Credit Rating. If during the term of the Agreement, Seller's or Seller's Guarantor's Credit Rating changes, by either being upgraded or downgraded by any of the rating agencies referenced in Section 14.3 (Unsecured Credit) of the

Agreement, the Seller shall be required to provide written notice to Buyer of such Credit Rating change no later than two (2) Business Days after the date of such change. However, if Seller's, or Seller's Guarantor's, equity is publicly traded on the New York Stock Exchange, NASDAQ National Market, or American Stock Exchange, the Buyer will waive the requirement to provide written notice.

- 14.5 Tangible Net Worth. During the term of the Agreement, Seller, or Seller's Guarantor, shall be required to provide Buyer written financial information to determine the Seller's, or Seller's Guarantor's Tangible Net Worth. Financial information shall include an audited Annual Report, containing, but not limited to, a balance sheet prepared in accordance with generally accepted accounting principles, a schedule of long term debt including maturity dates, and all notes to the financial statement that apply to long term debt, short term borrowing, and liquidity and capital resources. The Seller, or Seller's Guarantor, shall also provide the Buyer written financial information on a quarterly basis containing a balance sheet prepared in accordance with generally accepted accounting principles. However, if Seller's, or Seller's Guarantor's, equity is publicly traded on the New York Stock Exchange, NASDAQ National Market, or American Stock Exchange, the Buyer will waive the requirement to provide written financial information.
- 14.6 Foreign Entities. The following standards shall apply to Seller, or Seller's Guarantor, that have not been incorporated or otherwise formed under the laws of a state of the United States or of the District of Columbia and whose financial data is not denominated in United States currency and does not conform to generally accepted accounting principles (GAAP) in the United States. For Sellers who cannot meet the following requirements, the posting of cash or letter of credit in an acceptable form (see standard format in Exhibit C) for the Aggregate Buyer's Exposure shall be required.
- (a) The Seller shall supply such evidence of creditworthiness so as to provide Buyer with comparable assurances of creditworthiness as is applicable above for Sellers that have been incorporated or otherwise formed under the laws of a state of the United States or of the District of Columbia. The Buyer shall have full discretion, without liability or recourse to the Seller, to evaluate the evidence of creditworthiness submitted by such Seller; or
 - (b) The Guarantor of a Seller shall supply such evidence of creditworthiness so as to provide Buyer with comparable assurances of creditworthiness as is applicable above for Guarantors of Sellers that have been incorporated or otherwise formed under the laws of a state of the United States or of the District of Columbia. Buyer shall have full discretion, without liability or recourse to the Guarantor or the Seller, to evaluate the evidence of creditworthiness submitted by such Guarantor.

All Sellers or Guarantors of Sellers that have not been incorporated or otherwise formed under the laws of a state of the United States or of the District of Columbia and whose financial data is not denominated in United States currency and does not conform to generally accepted accounting principles (GAAP) in the United States shall, in addition to all documentation required elsewhere in this Section 14.6 (Foreign Entities), supply the following as a condition of being granted Unsecured Credit, up to a maximum level, for the purpose of covering the Aggregate Buyer's Exposure:

(i) For Seller:

- (a) A legal opinion of counsel qualified to practice in the foreign jurisdiction in which the Seller is incorporated or otherwise formed that this Agreement is, or upon the completion of execution formalities will become, the binding obligation of the Seller in the jurisdiction in which it has been incorporated or otherwise formed; and
- (b) The sworn certificate of the corporate secretary (or similar officer) of such Seller that the person executing this Agreement on behalf of the Seller has the authority to execute the Agreement and that the governing board of such Seller has approved the execution of this Agreement; and
- (c) The sworn certificate of the corporate secretary (or similar officer) of such Seller that the Seller has been authorized by its governing board to enter into agreements of the same type as this Agreement.

Buyer shall have full discretion, without liability or obligation to the Seller, to evaluate the sufficiency of the documents submitted by the Seller.

(ii) For Guarantor of a Seller:

- (a) A legal opinion of counsel qualified to practice in the foreign jurisdiction in which the Guarantor is incorporated or otherwise formed that this Guaranty is, or upon the completion of execution formalities will become, the binding obligation of the Guarantor in the jurisdiction in which it has been incorporated or otherwise formed; and
- (b) The sworn certificate of the corporate secretary (or similar officer) of such Guarantor that the person executing the Guaranty on behalf of the Guarantor has the authority to execute the Guaranty and that the governing board of such Guarantor has approved the execution of the Guaranty; and
- (c) The sworn certificate of the corporate secretary (or similar officer) of such Guarantor that the Guarantor has been authorized by its governing board to enter into agreements of the same type as the Guaranty.

Buyer shall have full discretion, without liability or obligation to the Guarantor or the Seller, to evaluate the sufficiency of the documents submitted by such Guarantor.

- 14.7 Aggregate Buyer's Exposure. In order to determine the amount of Performance Assurance during the term of this Agreement, Buyer shall calculate the Aggregate Buyer's Exposure under Aggregate Transactions once per Business Day, pursuant to the process and methodology described in Exhibit E for calculating the mark-to-mark exposure. On a Transaction Date, the Buyer's Exposure for that Transaction shall be deemed equal to zero.

To the extent that the calculations of the Aggregate Buyer's Exposure for a given date results in a negative number, the Aggregate Buyer's Exposure for such date shall be deemed equal to zero.

- (a) Pricing Agent. Buyer shall contract with and pay for the services of a single independent consultant to provide pricing services with respect to the Transactions under this Agreement. The Pricing Agent shall provide to the Buyer the On-Peak Initial Mark Price and the Off-Peak Initial Mark Price. In addition, on each Business Day, the Pricing Agent shall provide to the Buyer the On-Peak Forward Price and the Off-Peak Forward Price. To the extent that information and/or quotes are not available to determine an On-Peak Forward Price or Off-Peak Forward Price for a given month the Pricing Agent shall be permitted to use information and/or quotes relevant to such month for which information and/or quotes are available in order to provide the Buyer the required On-Peak Forward Price and Off-Peak Forward Price for such month. Exhibit E presents in more detail the methodology to be used by the Pricing Agent in determining the Off-Peak Initial Mark Price, On-Peak Initial Mark Price, the On-Peak Forward Price and the Off-Peak Forward Price.
- (b) Buyer shall use reasonable efforts to provide Seller with Aggregate Buyer's Exposure on each Business Day subject to the Confidentiality provisions of this Agreement.
- (c) Pursuant to Section 14.1 above, Seller shall not dispute any request by Buyer for Performance Assurance. Notwithstanding such provision, Seller may dispute the Pricing Agent's determinations of the On-Peak Initial Mark Price, Off-Peak Initial Mark Price, On-peak Forward Price and Off-Peak Forward Price if Seller can demonstrate that the Pricing Agent has been grossly negligent or has exhibited willful misconduct in such determinations, or that the Pricing Agent is making such determinations in a manner that is arbitrary, capricious or erroneous on its face. Such dispute of the Pricing Agent's determinations by the Seller shall not be cause for any delay by the Seller in posting any Performance Assurance requested by the Buyer.

- (k) it has entered into this Agreement and each Transaction in connection with the conduct of its business and it has the capacity or ability to provide or take delivery of the Full Requirements Service; and it is an “eligible contract participant” as defined in Section 1a(12) of the Commodity Exchange Act.

15.2 Additional Understandings. This Agreement is for the purchase and sale of Full Requirements Service that will be delivered in quantities expected to be used or

sold over a defined period(s) in the normal course of business, and it is the intention at the inception and throughout the term of this Agreement and each Transaction hereunder that the Agreement will result in physical delivery and not financial settlement, and the quantity of Full Requirements Service that Seller must deliver and Buyer must receive will be determined by the requirements of the SOS Load served by Buyer, and, as such, the Agreement does not provide for an option by either Party with respect to the quantity of Full Requirements Service to be delivered or received during performance of the Agreement. This Agreement has been drafted to effectuate Buyer's and Seller's specific intent so that in accordance with Financial Accounting Standards Board Statement No. 133 ("FAS 133"), as amended, Buyer would be able to elect to use accrual accounting for its purchases under this Agreement, while Seller would be able to elect to use either accrual or mark-to-market accounting for its sales under the Agreement. If either Buyer or Seller determines, in good faith, that the intended accounting treatment has become jeopardized, due to a change in interpretations of FAS 133, as amended, or otherwise, then Buyer and Seller agree to meet and use their best efforts to reform the Agreement so that, with the minimum changes possible, the Agreement again qualifies for the intended accounting treatments.

ARTICLE 16 MISCELLANEOUS

- 16.1 Notices. Unless otherwise specified herein, all notices shall be in writing and delivered by hand, overnight or facsimile (provided a copy is also sent by overnight mail). Notice shall be effective on the next Business Day after it is sent. A Party may change its address by providing notice of the same in accordance with this Section 16.1. Notice information for Buyer and Seller is shown on Exhibit G.
- 16.2 General. This Agreement shall be considered for all purposes as prepared through the joint efforts of the Parties and shall not be construed against one Party or the other as a result of the preparation, substitution, submission or other event of negotiation, drafting or execution hereof. Each Party further agrees that it will not assert, or defend itself, on the basis that any applicable tariff is inconsistent with this Agreement. This Agreement shall not impart any rights enforceable by any third party other than a permitted successor or assignee bound to this Agreement or any Transaction. Any provision declared or rendered unlawful will not otherwise affect the remaining lawful obligations that arise under this Agreement or any Transaction; provided that in such event the Parties shall use commercially reasonable efforts to amend this Agreement or any Transaction in order to give effect to the original intention of the Parties.
- 16.3 Rules of Interpretation. The following principles shall be observed in the interpretation and construction of this Agreement:

- (a) unless otherwise stated, the terms “include” and “including” when used in this Agreement shall be interpreted to mean by way of example only and shall not be considered limiting in any way;
- (b) all titles and headings used herein are for convenience and reference purposes only, do not constitute a part of this Agreement and shall be ignored in construing or interpreting the obligations of the parties under this Agreement;
- (c) references to the singular include the plural and vice versa;
- (d) references to Articles, Sections, Clauses and the Preamble are, unless the context indicates otherwise, references to Articles, Sections, Clauses and the Preamble of this Agreement;
- (e) in carrying out its rights, obligations and duties under this Agreement, each Party shall have an obligation of good faith and fair dealing.

16.4 Audit. Each Party has the right on at least three (3) Business Days prior written notice, at its sole expense and during normal working hours, to examine the records of the other Party to the extent reasonably necessary to verify the accuracy of any statement, charge or computation made pursuant to this Agreement. If any such examination reveals any inaccuracy in any statement, the necessary adjustments in such statement and the payments thereof will be made in accordance with Sections 7.1 (Billing) and 7.6 (Interest on Unpaid Balances).

16.5 Confidentiality.

- (a) Each Party shall hold in confidence and not release or disclose any document or information furnished by the other Party in connection with this Agreement, unless: (i) compelled to disclose such document or information by judicial, regulatory or administrative process or other provisions of law; (ii) such document or information is generally available to the public; (iii) such document or information was available to the receiving Party on a non-confidential basis; or (iv) such document or information was available to the receiving Party on a non-confidential basis from a third-party, provided that the receiving Party does not know, and, by reasonable effort, could not know that such third-party is prohibited from transmitting the document or information to the receiving Party by a contractual, legal or fiduciary obligation.
- (b) Notwithstanding any other provision of this Section 16.5, a Party may disclose whatever information is required by the FERC to disclose in connection with the filing of quarterly or annual reports and may make such disclosure without notification to any other Party.
- (c) Notwithstanding any other provision of this Section 16.5, a Party may disclose to its employees, representatives and agents all documents and information furnished by the other Party in connection with this Agreement, provided that such employees, representatives and agents have been advised of the confidentiality provisions of this Section 16.5, and further provided that in no event shall a document or information be disclosed in violation of the standard of conduct requirements established by FERC.

- (d) A Party receiving notice or otherwise concluding that any confidential document or information furnished by the other Party in connection with this Agreement is being sought under any provision of law, to the extent it is permitted to do so under any applicable law, shall: (i) promptly notify the other Party; and (ii) use reasonable efforts in cooperation with the other Party to seek confidential treatment of such confidential information.
- (e) Any independent auditor performing an audit on behalf of a Party pursuant to Section 16.4 shall be required to execute a confidentiality agreement with the Party being audited. Such audit information shall be treated as confidential pursuant to this Section 16.5.
- (f) The Parties agree that monetary damages may be inadequate to compensate a Party for the other Party's breach of its obligations under this Section 16.5. Each Party accordingly agrees that the other Party shall be entitled to equitable relief, by way of injunction or otherwise, if the Party breaches or threatens to breach its obligations under this Section 16.5, which equitable relief shall be granted without bond or proof of damages, and the receiving Party shall not plead in defense that there would be an adequate remedy at law.

16.6 Successors. This Agreement and all of the provisions hereof are binding upon, and inure to the benefit of, the Parties and their respective successors and permitted assigns.

16.7 Assignment/Change in Corporate Identity. Neither Party shall assign this Agreement, its rights or obligations hereunder without the prior written consent of the other Party, which consent may not be unreasonably withheld; provided, however, either Party may, without the consent of the other Party (and without relieving itself from liability hereunder),

- (a) transfer, sell, pledge, encumber or assign this Agreement or the accounts, revenues or proceeds hereof in connection with any financing or other financial arrangements,
- (b) transfer or assign this Agreement to an affiliate of such Party if: (i) such affiliates creditworthiness is equal to or higher than that of such Party; or (ii) in the case of the Seller, where such affiliate's creditworthiness is not equal to or higher than that of such Party, such affiliate provides the Performance Assurance required pursuant to this Agreement,
- (c) transfer or assign this Agreement to any person or entity succeeding to all or substantially all of the assets whose: (i) creditworthiness is equal to or higher than that of such Party; or (ii) in the case of the Seller, where such entity's creditworthiness is not equal to or higher than that of such Party, such entity provides the Performance Assurance required pursuant to this Agreement;

(d) provided, however, that in each such case, any such assignee shall agree in writing to be bound by the terms and conditions hereof and so long as the transferring Party delivers such tax and enforceability assurance as the non-transferring Party may reasonably request.

16.8 Governing Law. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY AND CONSTITUTED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAW.

16.9 Jurisdiction and Venue. Except as provided in Sections 2.4 (Other Changes in PJM Charges) and 4.4 (Renewable Energy Resource Requirement), and except for matters jurisdictional to FERC, the Delaware PSC or the appellate courts having jurisdiction over the Delaware PSC or FERC matters, all disputes hereunder shall be resolved in the Federal or State courts of Delaware and each Party hereby irrevocably submits to the in personam jurisdiction of such courts. Each Party hereby waives its respective rights to any jury trial with respect to any litigation arising under or in connection with this Agreement.

16.10 Amendments. Except as provided in Section 16.11 (PJM Agreement Modifications), this Agreement or any Transaction shall not be amended, modified, terminated, discharged or supplemented, nor any provision hereof waived, unless mutually agreed, in writing, by the Parties. Except as provided in Section 16.11 (PJM Agreement Modifications), the rates, terms and conditions contained in this Agreement or any Transaction are not subject to change under Sections 205 or 206 of the Federal Power Act absent the mutual written agreement of the Parties. Absent the agreement of all parties to the proposed change, the standard of review for changes to this Agreement proposed by a Party, a non-Party or the FERC acting *sua sponte* shall be the “public interest” standard of review set forth in *United Gas Pipe Line Co. v. Mobile Gas Service Corp.*, 350 U.S. 332 (1956), and *Federal Power Commission v. Sierra Pacific Power Co.*, 350 U. S. 348 (1956) (the “*Mobile-Sierra*” doctrine).

16.11 PJM Agreement Modifications.

(a) If the PJM Agreements are amended or modified so that any schedule or section references herein to such agreements is changed, such schedule or section references herein shall be deemed to automatically (and without any further action by the Parties) refer to the new or successive schedule or section in the PJM Agreements which replaces that originally referred to in this Agreement.

(b) If the applicable provisions of the PJM Agreements referenced herein, or any other PJM rules relating to the implementation of this Agreement, are changed materially from those in effect on the Effective Date, both Parties shall cooperate to make conforming changes to this Agreement to fulfill the

purposes of this Agreement; provided that no such changes shall alter the economic benefits of this Agreement between the Parties.

- 16.12 Delay and Waiver. Except as otherwise provided in this Agreement, no delay or omission to exercise any right, power or remedy accruing to the respective Parties hereto upon any breach or default of any other Party under this Agreement shall impair any such right, power or remedy, nor shall it be construed to be a waiver of any such similar breach or default thereafter occurring; nor shall any waiver of any single breach or default be deemed a waiver of any other breach or default theretofore or thereafter occurring. Any waiver, permit, consent or approval of any kind or character of any breach or default under this Agreement, or any waiver of any provision or condition of this Agreement, must be in writing and shall be effective only to the extent specifically set forth in such writing.
- 16.13 Regulatory Approvals. The commencement of the Delivery Period is subject to: (i) the receipt or waiver by Seller of all Seller required regulatory approvals; and (ii) the receipt or waiver by Buyer of all Buyer required regulatory approvals. In the event such required regulatory approvals are not received or waived, the Step-Up provisions of Section 4.12 (Seller Step-Up Rights) shall apply.

IN WITNESS WHEREOF, this Agreement is executed by the respective Parties on the dates set forth below and shall be effective as of the date first set forth in the Transaction Confirmation.

EXHIBIT E
METHODOLOGY FOR CALCULATION OF MARK TO MARKET (MTM)
EXPOSURE

Parameters

In calculating the MtM Exposure for each Transaction, the following parameters are set on the Transaction Date:

1. On-Peak Initial Mark Price
2. Off-Peak/On-Peak Price Ratio
3. Off-Peak Initial Mark Price
4. On-Peak Estimated Energy Quantity Per 50 MW Capacity PLC for each of the twelve calendar months
5. Off-Peak Estimated Energy Quantity Per 50 MW Capacity PLC for each of the twelve calendar months
6. Number of awarded Bid Blocks

In calculating the MtM Exposure for each Transaction, the following parameters are set each Business Day subsequent to the Transaction Date:

- 1) On-Peak Forward Price
- 2) Off-Peak Forward Price
- 3) Current Capacity PLC Per Bid Block
- 4) On-Peak Estimated Energy Quantity
- 5) Off-Peak Estimated Energy Quantity

Determination of On-Peak Forward Prices

On each Business Day subsequent to the Transaction date, the Pricing Agent will contact four Reference Market-Makers to obtain bid and ask Energy price quotes for PJM Western Hub On-Peak Hours for each month of the Delivery Period. If a minimum of two quotes in a particular month is not available, then it is treated the same as if no quotes were available. For the Pricing Agent to include a monthly On-Peak Forward Price quote from a Reference Market-Maker, both bid and ask prices must be available. For any month for which there are no single month quotes, but for which there are two month, quarterly, or 12 month quotes available (“Aggregate Quotes”), the Price Agent shall disaggregate the Aggregate Quote into monthly components in the following manner. The most recently available single month quotes for the same calendar months contained in the Aggregate Quote shall be averaged. The percentage by which each single month price differs from average of the single month prices for the same time period of the Aggregate Quote will be applied to the Aggregate Quote to establish monthly prices for the like month of the Aggregate Quote, such that the average will be Aggregate Quote. In the event that quotes for one or more months of a multi-month block and for the entire multi-month block in aggregate are both available, but are

inconsistent with each other, the Pricing Agent will use the one that is most consistent with other available quotes. The following is an example of the process to be used for disaggregating Aggregate Quotes:

- a. Aggregate Quote only available for Jan-March = \$60/MWh
- b. Immediate Prior Calendar year quotes for Jan-Mar as follows:
 - January: \$42/MWh
 - February: \$45/MWh
 - March: \$40/MWh
- c. Calculations as follows:
 1. Calculate Average price in (b) = \$42.33/MWh
 2. Calculation monthly deviation from Average:
 - January: 99.2% ($\$42/\42.33)
 - February: 106.3%: ($\$45/\42.33)
 - March: 94.5%: ($\$40/\42.33)
 3. Disaggregate the Aggregate Quote by applying percentages from c.(2) to the available aggregate quote:
 - January: \$59.53 ($\$60 \times 99.2\%$)
 - February: \$63.78 ($\$60 \times 106.3\%$)
 - March: \$56.69 ($\$60 \times 94.5\%$)

To the extent that On-Peak Forward Price quotes are not available for a given month, either as single month price quotes or as an Aggregate Quote, the Pricing Agent shall establish price quotes as follows:

- a. If the day on which the Pricing Agent is attempting to secure price quotes for a given month follows at least five (5) days in which the Pricing Agent has secured price quotes for that month, then the price quote that the Pricing Agent shall report shall be the average of the most recent five (5) days' quotes for that month. For example:
 - On January 2, 3, 4, 5, and 6, the Pricing Agent secures quotes of \$40, \$42, \$44, \$42, and \$40/MWh for March 2007.
 - On January 7, no quotes for March 2007 are available.
 - For January 7, the Pricing Agent reports \$41.60/MWh as the applicable quote, since that is the average of the most recent five (5) days.
- b. If the Pricing Agent has been unable to secure at least five days of price quotes for a given month, then the Pricing Agent shall use the quote for that same month from the immediately prior calendar year.

- c. To the extent that On-Peak forward price quotes are not available for any forward month at the time the Pricing Agent is establishing the On-Peak Initial Mark Price, the Pricing Agent shall follow the steps outlined in this Exhibit.

(May be revised if guarantor is not a parent or affiliate of supplier.)

1. Guaranty of Obligations.

- (a) The Guarantor hereby irrevocably and unconditionally guarantees, with effect from date hereof, the prompt and complete payment when due of all of Supplier’s payment obligations under the FSA (to the extent such payment obligations exceed the amount of any Performance Assurance provided to the Creditor by Supplier as defined in and in accordance with the FSA), whether on scheduled payment dates, when due upon demand, upon declaration of termination or otherwise, in accordance with the terms of the FSA and giving effect to any applicable grace period, and, provided only that the Creditor is the prevailing party in any judicial suit, action or proceeding arising out of, resulting from, or in any way relating to this Guaranty, or if by mutual agreement by Guarantor and Creditor, all reasonable out-of-pocket costs and expenses incurred by Creditor in the enforcement of the Guarantor’s obligations or collection under this Guaranty, including reasonable attorney’s fees and expenses (collectively, the “Obligations”). [Optional provision: Notwithstanding anything to the contrary herein, the liability of the Guarantor under this Guaranty and Creditor’s right of recovery hereunder for all Obligations is limited to a total aggregate amount of \$____ (“Guaranty Amount”), where Guaranty Amount shall be no less than Five Hundred Thousand US Dollars (\$500,000).]
- (b) The limitations on liabilities of the Supplier set forth in Article 10 of the FSA shall also apply to the liabilities of the Guarantor hereunder.

2. Nature of Guaranty; Waivers.

- (a) This is a guaranty of payment and not of collection and the Creditor shall not be required, as a condition of the Guarantor’s liability, to pursue any rights which may be available to it with respect to any other person who may be liable for the payment of the Obligations. This is not a performance guaranty and the Guarantor is not obligated to provide power under the FSA or this Guaranty.

- (b) This Guaranty is an absolute, unconditional, irrevocable (subject to the provisions of Section 12 of this Guaranty) and continuing guaranty and will remain in full force and effect until all of the Obligations have been indefeasibly paid in full, or until the FSA has been terminated, whichever comes later. This Guaranty will not be affected by any surrender, exchange, acceptance, compromise or release by the Creditor of any other party, or any other guaranty or any security held by it for any of the Obligations, by any failure of the Creditor to take any steps to perfect or maintain its lien or security interest in or to preserve its rights to any security or other collateral for any of the Obligations or any guaranty, or by any irregularity, unenforceability or invalidity of any of the Obligations (other than any irregularity, unenforceability or invalidity of any of the obligations under the FSA resulting from the conduct of the Creditor) or any part thereof.
- (c) Except as to any claims, defenses, rights of set-off or to reductions of Supplier in respect of its obligations under the FSA, (all of which are expressly reserved under this Guaranty), the Guarantor's obligations hereunder shall not be affected, modified or impaired by any counterclaim, set-off, deduction or defense based upon any claim the Guarantor may have against Supplier or the Creditor, including: (i) any change in the corporate existence (including its charter or other governing agreement, laws, rules, regulations or powers), structure or ownership of Supplier or the Guarantor; or (ii) any insolvency, bankruptcy, reorganization or other similar proceeding affecting Supplier or its assets; or (iii) the invalidity or unenforceability in whole or in part of the FSA; or (iv) any provision of applicable law or regulations purporting to prohibit payment by Supplier of amounts to be paid by it under the FSA (other than any law or regulation that eliminates or nullifies the obligations under the FSA).
- (d) Guarantor waives notice of acceptance of this Guaranty, diligence, presentment, notice of dishonor and protest and any requirement that at any time any person exhaust any right to take any action against Supplier or their assets or any other guarantor or person, provided, however, that any failure of Creditor to give notice will not discharge, alter or diminish in any way Guarantor's obligations under this Guaranty. The Guarantor waives all defenses based on suretyship or impairment of collateral or any other defenses that would constitute a legal or equitable discharge of Guarantor's obligations, except any claims or defenses of Supplier in respect of its obligations under the FSA.
- (e) The Creditor at any time and from time to time, without notice to or the consent of the Guarantor, and without impairing or releasing, discharging or modifying the Guarantor's liabilities hereunder, may (i) to the extent permitted by the FSA, change the manner, place, time or terms of payment or performance of, or other terms relating to, any of the Obligations; (ii) to the extent permitted by the FSA, renew, substitute, modify, amend or alter, or grant consents or waivers relating to any of the Obligations, or any other guaranties for any Obligations; (iii) settle, compromise or deal with any other person, including Supplier, with respect to any Obligations in such manner as the Creditor deems appropriate in its sole discretion; (iv) substitute, exchange or release any guaranty; or (v) take such actions and exercise such remedies hereunder as Creditor deems appropriate.

3. Representations and Warranties. The Guarantor hereby represents and warrants that:
- (a) it is a [limited liability company, corporation, limited partnership, general partnership] duly organized, validly existing and in good standing under the laws of the jurisdiction of its [formation, organization, incorporation] and has the [corporate power] [power] and authority to conduct the business in which it is currently engaged and enter into and perform its obligations under this Guaranty;
 - (b) it has the [corporate power] [power] and authority and the legal right to execute and deliver, and to perform its obligations under, this Guaranty, and has taken all necessary [corporate action] [action] to authorize its execution, delivery and performance of this Guaranty;
 - (c) this Guaranty constitutes a legal, valid and binding obligation of the Guarantor enforceable in accordance with its terms, except as affected by bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws relating to or affecting the enforcement of Creditors' rights generally, general equitable principles and an implied covenant of good faith and fair dealing;
 - (d) the execution, delivery and performance of this Guaranty will not violate any provision of any requirement of law or contractual obligation of the Guarantor (except to the extent that any such violation would not reasonably be expected to have a material adverse effect on the Guarantor or this Guaranty);
 - (e) no consent or authorization of, filing with, or other act by or in respect of, any arbitrator or governmental authority and no consent of any other person (including, without limitation, any stockholder or creditor of the Guarantor) is required in connection with the execution, delivery, performance, validity or enforceability of this Guaranty, other than any which have been obtained or made prior to the date hereof and remain in full force and effect; and
 - (f) no litigation, investigation or proceeding of or before any arbitrator or governmental authority is pending or, to the knowledge of the Guarantor, threatened by or against the Guarantor that would have a material adverse effect on this Guaranty.
4. Repayments or Recovery from the Creditor. If any demand is made at any time upon the Creditor for the repayment or recovery of any amount received by it in payment or on account of any of the Obligations, including but not limited to upon the bankruptcy, insolvency, dissolution or reorganization of the Supplier and if the Creditor repays all or any part of such amount by reason of any judgment, decree or order of any court or administrative body or by reason of any settlement or compromise of any such demand, the Guarantor (subject to Sections 2 (c) and (d) of this Guaranty) will be and remain liable hereunder for the amount so repaid or recovered to the same extent as if such amount had never been received originally by the Creditor. The provisions of this section will be and remain effective notwithstanding any contrary action which may have been taken by the Guarantor in reliance upon such payment, and any such contrary action so taken will be without prejudice to the Creditor's rights hereunder and will be deemed to have been conditioned upon such payment having become final and irrevocable.

5. Enforceability of Obligations. No modification, limitation or discharge of the Obligations of Supplier arising out of or by virtue of any bankruptcy, reorganization or similar proceeding for relief of debtors under federal or state law will affect, modify, limit or discharge the Guarantor's liability in any manner whatsoever and this Guaranty will remain and continue in full force and effect and will be enforceable against the Guarantor to the same extent and with the same force and effect as if any such proceeding had not been instituted. The Guarantor waives all rights and benefits which might accrue to it by reason of any such proceeding and will be liable to the full extent hereunder, irrespective of any modification, limitation or discharge of the liability of Supplier that may result from any such proceeding.
6. Postponement of Subrogation. Only to the extent that, at the relevant time, there are Obligations, or other amounts hereunder, that are then due and payable but unpaid, the Guarantor postpones and subordinates in favor of the Creditor any and all rights which the Guarantor may have to (a) assert any claim against the Supplier based on subrogation rights with respect to payments made by Guarantor hereunder and (b) any realization on any property of the Supplier, including participation in any marshalling of the Supplier's assets. Upon payment of such due and unpaid Obligations, Creditor agrees that Guarantor shall be subrogated to the rights of Creditor against Supplier to the extent of Guarantor's payment to Creditor.
7. Notices. All notices, demands, requests, consents, approvals and other communications required or permitted hereunder must be in writing and will be effective upon receipt. Such notices and other communications may be hand-delivered, sent by facsimile transmission with confirmation of delivery and a copy sent by first-class mail, or sent by nationally recognized overnight courier service, to the addresses for the Creditor and the Guarantor set forth below or to such other address as one may give to the other in writing for such purpose:

8. Preservation of Rights. Except as provided by any applicable statute of limitations, no delay or omission on the Creditor's part to exercise any right or power arising hereunder will impair any such right or power or be considered a waiver of any such right or power, nor will the Creditor's action or inaction impair any such right or power. The Creditor's rights and remedies hereunder are cumulative and not exclusive of any other rights or remedies which the Creditor may have under other agreements with the Guarantor, at law or in equity.
 9. Illegality. In case any one or more of the provisions contained in this Guaranty should be invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not in any way be affected or impaired thereby.
 10. Amendments. No modification, amendment or waiver of any provision of this Guaranty nor consent to any departure by the Guarantor therefrom, will be effective unless made in a writing signed by the Creditor, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on the Guarantor in any case will entitle the Guarantor to any other or further notice or demand in the same, similar or other circumstance.
 11. Entire Agreement. This Guaranty (including the documents and instruments referred to herein) constitutes the entire agreement and supersedes all other prior agreements and understandings, both written and oral, between the Guarantor and the Creditor with respect to the subject matter hereof.
 12. Successors and Assigns. This Guaranty will be binding upon and inure to the benefit of the Guarantor and the Creditor and their respective successors and permitted assigns. Neither party may assign this Guaranty in whole or in part without the other's prior written consent, which consent will not be unreasonably withheld or delayed, except that Creditor may at any time assign this Guaranty without Guarantor's consent, in the same manner, on the same terms and to the same persons as Creditor assigns the FSA in accordance with Section 16.7(b) of the FSA, and except that this Section 12 shall not limit the Guarantor's right to assign this Guaranty, along with substantially all of the Guarantor's assets and business to a successor entity or Affiliate that assumes all obligations thereunder and (i) where the successor Guarantor's Lowest Credit Rating is equal to or greater than the Guarantor's Lowest Credit Rating or where the successor Guarantor's Lowest Credit Rating is equal to or greater than BBB, as rated by S&P or Fitch, or Baa2, as rated by Moody's, and (ii) the Supplier is in compliance with Article 14 of the FSA. The "Lowest Credit Rating" shall mean the lowest of the senior unsecured long-term debt ratings determined by Moody's Investor Services, Inc. (or its successor) ("Moody's"), the Standard & Poor's Rating Group, a division of McGraw-Hill, Inc., (or its successor) ("S&P"), or Fitch Investor Service, Inc. (or its successor) ("Fitch") immediately before such transfer and assumption. Upon any such delegation and assumption of obligations by a successor Guarantor, the Guarantor shall be relieved of and fully discharged from all of its obligations hereunder, whether such obligations arose before or after the date of such delegation and assumption.
 13. Interpretation. In this Guaranty, unless the Creditor and the Guarantor otherwise agree in writing, the singular includes the plural and the plural the singular; references to statutes

are to be construed as including all statutory provisions consolidating, amending or replacing the statute referred to; the word “or” shall be deemed to include “and/or”, the words “including”, “includes” and “include” shall be deemed to be followed by the words “without limitation”; and references to sections or exhibits are to those of this Guaranty unless otherwise indicated. Section headings in this Guaranty are included for convenience of reference only and shall not constitute a part of this Guaranty for any other purpose.

14. Governing Law.

- (a) This Guaranty has been delivered to and accepted by the Creditor. THIS GUARANTY WILL BE INTERPRETED AND THE RIGHTS AND LIABILITIES OF THE CREDITOR AND THE GUARANTOR DETERMINED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, EXCLUDING ITS CONFLICT OF LAWS RULES.
- (b) The Guarantor hereby irrevocably consents to the non-exclusive jurisdiction of any federal court in the State of Delaware, but in the event that the Guarantor and the Creditor determine in good faith that jurisdiction does not lay with such court or that such court refuses to exercise jurisdiction or venue over the Guarantor and the Creditor or any claims made pursuant to this Guaranty, then the Guarantor and the Creditor agree to submit to the non-exclusive jurisdiction of the Delaware state courts; provided that nothing contained in this Guaranty will prevent the Creditor from bringing any action, enforcing any award or judgment or exercising any rights against the Guarantor individually, against any security or against any property of the Guarantor within any other county, state or other foreign or domestic jurisdiction. The Guarantor acknowledges and agrees that the venue provided above is the most convenient forum for both the Creditor and the Guarantor. The Guarantor waives any objection to venue and any objection based on a more convenient forum in any action instituted under this Guaranty.

15. WAIVER OF JURY TRIAL. THE GUARANTOR AND CREDITOR IRREVOCABLY WAIVE ANY AND ALL RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR CLAIM OF ANY NATURE RELATING TO THIS GUARANTY, ANY DOCUMENTS EXECUTED IN CONNECTION WITH THIS GUARANTY OR ANY TRANSACTION CONTEMPLATED IN ANY OF SUCH DOCUMENTS. THE GUARANTOR AND CREDITOR ACKNOWLEDGE THAT THE FOREGOING WAIVER IS KNOWING AND VOLUNTARY.

16. Term. This Guaranty shall survive termination of the FSA and remain in full force and effect until all amounts due hereunder, including all of the Obligations, have been paid or performed in full.

17. Stay of Acceleration Ineffective with Respect to Guarantor. If acceleration of the time for payment of any amount payable by Supplier under the FSA is stayed upon the insolvency, bankruptcy or reorganization of Supplier, all such amounts otherwise subject to acceleration or required to be paid upon an early termination pursuant to the terms of the FSA shall nonetheless be payable by the Guarantor hereunder on written demand by Creditor.

The Guarantor acknowledges that it has read and understood all the provisions of this Guaranty, and has been advised by counsel as necessary or appropriate.

Request for Proposals For Full Requirements Wholesale Electric Power Supply

1. Introduction

Delmarva Power & Light Company (Delmarva) provided electric supply service to Delaware customers through fixed price power supply tariffs offered by Delmarva pursuant to settlements filed with the Delaware Public Service Commission (“Commission”) as part of electric restructuring (Docket No. 99-163) and the merger involving Delmarva and Potomac Electric Power Company (Docket No. 01-194). These offers and Delmarva’s obligation to provide Standard Offer Service (“SOS”) expired as of April 30, 2006. In October 2004, the Commission established Docket No.04-391 to investigate and determine: (a) which entity will act as the SOS supplier in the Delmarva service territory as of May 2006; and (b) what prices will be charged for SOS in the Delmarva service territory as of May 2006. On March 22, 2005 the Commission issued Order No. 6598 addressing certain major policy issues including determining that the SOS shall be provided by Delmarva using a wholesale model (Phase 1). On July 18, 2005, a Phase 2 settlement was presented to the Commission proposing the terms and conditions for provision of electric service at the end of the current fixed price offers. Also included in the settlement was a brief description of the Bid Plan procedures and the Request For Proposal (RFP) process. On September 16, 2005 a detailed Bid Plan which consisted of the Full Requirements Service Agreement (“FSA”) and the RFP was filed with the Commission. On October 11, 2005 in Order No. 6746, the Delaware Public Service Commission approved the settlement agreement by which Delmarva will procure SOS to customers through the competitive selection of wholesale supply. The Bid Plan was approved on October 11, 2005 in Order No.6746 and the first wholesale competitive bid process was completed in February 2006.

On April 6, 2006, the Delaware Legislature enacted the “Electric Utility Retail Customer Supply Act of 2006”. On June 20, 2006 the Commission issued Order No. 6943 initiating a process to revisit the RFP procedures to explore and determine what changes, if any, should be made to the RFP procurement process previously accepted by the Commission in Order No. 6746. On October 3, 2006 the Commission approved consensus recommendations for improving the process and adopted certain additional recommendations related to contested issues. On September 18, 2007, the Commission issued Order No. 7284 approving consensus recommendations and the revised RFP and FSA for the 2008 process to be in place by October 1, 2007.

In mid-year 2008, Delmarva executed four long-term contracts for wind energy and Renewable Energy Credits (“RECs”) in amounts to meet its Delaware obligations under the Renewable Energy Portfolio Standards Act. On July 29, 2008, Delmarva filed an application with the Commission to modify the process by which it procures electricity for SOS customers by removing the requirement that wholesale electricity suppliers provide RECs to Delmarva. On August 19, 2008, the Commission approved the application in Order No. 7432. On October 7, 2008, the Commission issued Order No. 7461, which provides that SOS supply be procured

using the World Energy reserve auction process for contracts effective June 1, 2009 and beyond. On October 6, 2009, the Commission issued Order No. 7670 in Docket No 04-391 modifying the RFP and FSA for the 2010 process to be in place by October 7, 2009. On _____, the Commission issued Order No. _____ in Docket No 04-391 modifying the RFP and FSA for the 2011 process to be in place by October 6, 2010.

This RFP reflects the improved wholesale bidding process set forth in Docket No.04-391 to solicit proposals from suppliers interested in providing Fixed Price SOS (“FP-SOS”) to Delmarva for the customer Service Types and terms indicated in Section 2.2 (Product Definition). The RFP is for full requirements wholesale supply service to meet the needs of Delmarva’s SOS retail load obligations in Delaware as described in the settlement and further described in the RFP. Fixed Price SOS bids will only be accepted through the World Energy web-based auction platform.

2. Services Requested

2.1. Supply Requirement Overview

Delmarva is requesting full requirements wholesale supply service generally including energy, capacity, ancillary services and losses, but excluding renewable energy obligations and network integration transmission service. A supplier of full requirements service will have an obligation stated as a specific percentage of Delmarva retail load for specific Service Types, and as such, full requirements service encompasses any changes in customers' demand for any reason.

In order to mitigate wholesale suppliers' exposure to the volumetric risk associated with the Medium General Service-Secondary FP-SOS, Large General Service-Secondary FP-SOS and General Service-Primary FP-SOS Service Types an increment load pricing mechanism, as described in the FSA, has been included in this solicitation. Generally, upon a date certain associated with each awarded bid block, Delmarva will determine the specific amount of capacity peak load contribution (PLC) in megawatts (MW) represented by each awarded bid block (base load). As set forth in Section 2.3 (Multi-Tranche process), each bid block equates to a specific and fixed percentage of the load, and at the time of this RFP, such percentage equates to about 50 MW. However, over time as Delmarva load changes, the MW equivalency of such fixed percentage shall change accordingly. The supplier will be paid its awarded bid price for such base load plus any additional load up to 5 MW per awarded bid block. For load exceeding the base load plus 5 MW per awarded bid block, that “incremental” load will become the responsibility of Delmarva. If load declines below the base load in an amount that equals 3 MW per awarded bid block, a new base load is established at the former base load less 3 MW per awarded bid block.

The specific definition of full requirements service and associated responsibilities are stated in the FSA, which is included as part of this RFP document as Appendix 7. The PLC associated with the customer classes for which Delmarva is soliciting wholesale supply in this RFP is stated in the following table using data as of August 1, 2010. Two representations of PLC are provided. The first represents that portion of the PLC associated with customers,

currently receiving SOS from Delmarva, for whom wholesale supply will be solicited in the RFP. The second represents an equivalent proportion of the PLC associated with customers currently eligible for a specific Service Type within Delmarva service territory. These PLCs will be updated to a date closer to when the RFP is issued.

<u>Service Type</u>	<u>Capacity PLC Megawatts as of August 1, 2010</u>	
	<u>SOS</u>	<u>Eligible</u>
Residential and Small Commercial & Industrial FP-SOS	271.4	281.3

Large General Service-Secondary FP-SOS	16.2	111.9
General Service-Primary FP-SOS	24.0	413.4
Total	470.0	1084.3

Pursuant to the Docket No. 04-391 Phase 2 settlement agreement, the composition of Delmarva’s portfolio of contracts will target the following load percentages for each contract term for the various Service Types. The specific contracts for which Delmarva is soliciting in this RFP are indicated in Section 2.2 (Product Definition).

2.2. Product Definition

In this RFP, Delmarva is soliciting full requirements wholesale service for the terms indicated below.

<u>Term Description</u>	
Residential and Small Commercial & Industrial (RSCI) FP-SOS:	36-Month Term, June 1, 2011 - May 31, 2014
Medium General Service - Secondary (MGS) FP-SOS:	12-Month Term, June 1, 2011 - May 31, 2012
Large General Service - Secondary (LGS) FP-SOS:	12-Month Term, June 1, 2011 - May 31, 2012
General Service - Primary (GS-P) FP-SOS:	12-Month Term, June 1, 2011 - May 31, 2012

2.3. Multi-Tranche Process

The selection of proposals by Delmarva in this solicitation will be conducted through a multi-tranche process following the contract term portfolio criteria stated in Section 2.1 (Supply Requirement Overview). As specified in Section 6 (Schedule for RFP Process), this process will allow for up to three tranches to fulfill Delmarva's requests for its various Service Types. The process is designed, however, such that Delmarva requests are fully met in no more than two tranches, as set forth below. Any remaining tranche(s) will be reserved for use only if Delmarva requests go unfulfilled in the prior tranche(s). If multi-year contracts are applicable, the load associated with each tranche will be further divided among the contract terms. The load within each tranche and for each contract term is further divided into bid blocks. Each bid block represents a certain and specific percentage of the associated load, as of the date indicated in the header of the capacity PLC table in Section 2.1 (Supply Requirement Overview). The bid block design for this solicitation is as follows.

	<u>Contract Term</u>

Unfilled Tranche Targets:

The number of blocks in each tranche for each contract term is a Delmarva target. If the amount of conforming bids in any tranche is unable to meet that tranche's targets, then the unfilled portion of that tranche will be included in the next tranche, and the targets in the next tranche will be revised accordingly. If in the last tranche in which bids are being solicited, as set forth above for any Service Type, any multi-year contract targets are not met, then conforming surplus single-year bids will fill the deficiencies. If in the last tranche there are not sufficient conforming surplus single-year bids to fill a multi-year contract target deficiency, or if the single-year contract target has not been met, then the remaining reserve tranche(s) will be conducted to solicit for any deficiencies.

2.4. Reverse Auction

Within each tranche and for each FP-SOS bid block offered by Service Type, there is a single auction conducted on the World Energy web-based auction platform. The energy price offers shall be in terms of \$/MWh. Each auction will open and close as shown below and will be conducted in accordance with the following schedule:

Tranche 1- November 29, 2010

Bids will only be accepted through the World Energy web-based auction platform to be held on November 29, 2010 and January 24, 2011 in accordance with the schedule specified in Section 6 (Schedule for RFP Process) starting at 10:00 AM EPT. The bid block auctions will be held at <http://www.wesplatform.com>, which is the auction website.

During each auction, bidders will be able to see all the bids they have posted and the current low bid. All bids shall be anonymous.

In order to access and use the auction website, eligible bidders will be contacted by World Energy Solutions, Inc., the proprietor of the auction website, and will be required to sign a Supplier Agreement with World Energy Solutions before being issued a password to access the auction website. Appendix 6 contains the World Energy Solutions Supplier Agreement. In addition, all eligible bidders must agree to pay a required fee to World Energy Solutions, for any auction awards made by Delmarva to the bidders as a result of this RFP. All bids submitted must be inclusive of this fee. Bidders who fail to satisfy all the Pre-Bid requirements in Section 3 in a timely manner will be denied access to the auction website and such bidders will not be able to participate in the Auction.

All costs and expenses associated with developing and/or submitting a bid in response to this RFP and/or any related activity following the submission of any such bid shall be borne by the bidder.

Questions regarding the auction process should be directed to Elisabeth Charnley of World Energy by email to echarnley@worldenergy.com or telephone at 1-800-578-0718 no later than 5:00 pm EPT on Friday November 26, 2010. All questions and their answers shall be posted on the Delmarva DE RFP Website.

Interested bidders are invited to call into a pre-bid teleconference on the auction process to be held in mid Oct, 2010. The call in number is 1-866 779 0773 and the meeting number is *2771999*. Please remember to enter the * sign before and after the meeting number. Participants will be able to ask questions only during the open floor portion of the call. For purposes of this teleconference, it is not required that individual or company names be identified when questions are asked. The teleconference will include a demonstration of the auction platform. Internet access will be required for this demonstration.

2.5. Supplier Step-Up Provision

As set forth in the FSA, in the event of an early termination of a FSA, all other wholesaler suppliers serving Delmarva FP-SOS load, pursuant to the Delaware Public Service

Commission Orders and approved settlement in Docket No. 04-391, will have the option to take a full or partial pro-rata share of the load for the balance of the terminated FSA term, under the same pricing, terms and conditions of the terminated FSA. Such option to take a pro-rata share of the load will include a transfer to the step-up supplier of any rights associated with congestion management. The supplier to which the option is offered shall meet any additional collateral requirements related to the step-up of its obligation. If any supplier does not exercise its option to increase its obligation, the other suppliers will have the option to take a pro-rata share of the amount of the increased obligation that such supplier declined to take. A supplier's pro-rata share will be the ratio of the supplier's load obligation, stated on a capacity PLC basis, to the total load being served under FSAs pursuant to the Delaware Public Service Commission Orders and approved settlement in Docket No. 04-391, excluding the terminated FSA and, if applicable, FSAs under which suppliers decline to exercise their step-up option in part or full.

2.6. Customer Restrictions

The FP-SOS procurement set forth in this RFP is to meet the supply needs for those customers that “choose not to choose” to take supply from a competitive retail supplier; are unable to obtain supply from competitive retail suppliers; or have been served by a competitive retail supplier, but, for any reason returns to FP-SOS. All customers other than General Service-Transmission are eligible for FP-SOS. Customers within the General Service-Transmission classification will be eligible for an hourly priced standard offer service (HPS) provided by Delmarva. HPS will also be available to the General Service-Primary classification subject to the restrictions described below.

Residential and Small Commercial & Industrial FP-SOS:

Pursuant to the Docket No. 04-391 Phase 2 settlement agreement, subject to Delmarva customer enrollment rules and tariffs, customers may leave and return to FP-SOS at any time without switching restrictions.

Medium General Service-Secondary; Large General Service-Secondary; General Service-Primary FP-SOS:

Pursuant to the Docket No. 04-391 Phase 2 settlement agreement, subject to Delmarva customer enrollment rules and tariffs, customers may leave and return to FP-SOS at any time without switching restrictions. For the General Service-Primary customers an additional option is available to take HPS if an affirmative election is made and certain metering requirements are met prior to when bids for FP-SOS are due.

3. Eligibility of Applicants

3.1. Overview of Eligibility

The purpose of the eligibility process is to provide information to the applicants regarding their eligibility to bid. An applicant is eligible to bid if, in a timely and complete fashion, it submits an Expression of Interest Form, executes the Confidentiality Agreement, certifies that it meets the PJM membership and FERC authorization requirements stated in Section 3.4 (Submittal of Applicant's PJM and FERC Qualifications), its, or its guarantor's,

unsecured senior long-term debt is currently rated by Standard & Poor's Ratings Group, Fitch Investor Services or Moody's Investor Services, and submits the Credit Application and associated financial information requested in Section 3.5 (Submittal of Credit Application and Financial Information)..

3.2. Submittal of Expression of Interest

Applicants interested in participating in this RFP are required to express their non-binding interest to bid by completing and submitting the Expression of Interest Form (Appendix 1). An electronic copy of the Expression of Interest Form will be made available to applicants for completion on the Delmarva DE RFP website. The applicant will not be eligible to submit proposals until such submission has been provided to Delmarva. Upon submission of the Expression of Interest Form, an applicant will be issued a password to access a website containing additional information related to this RFP.

3.3. Confidentiality Agreement

An applicant and Delmarva will be required to execute the Confidentiality Agreement (Appendix 2) electronically and as a signed hard copy. An electronic copy of the Confidentiality Agreement can be found on the Delmarva DE RFP website. The applicant will not be eligible to submit proposals until such agreement has been executed. The applicant should send the signed executed agreement by mail or courier service to:

DELMARVA DE RFP Coordinator

701 Ninth Street, N.W., Suite 6413

Washington D.C. 20068

Once the agreement is received from the applicant, Delmarva will complete the execution of the agreement and send a copy of the fully executed agreement to the applicant by mail or courier service.

3.4. Submittal of Applicant's PJM and FERC Qualifications

An applicant must certify that it is a member of the PJM Interconnection, LLC (PJM) and qualified as a market buyer and market seller in good standing able to secure generation or otherwise obtain and deliver electricity in PJM through compliance with all applicable requirements of PJM to fulfill a full requirements obligation. In addition, an applicant must certify that it has been authorized by the Federal Energy Regulatory Commission (FERC) to make sales of energy, capacity and ancillary services at market based rates. The PJM Qualification Certification Form (Appendix 3) and the FERC Authorization Certification Form (Appendix 4) can be found on the Delmarva DE RFP website. Such certifications must be signed by a signatory with the authority to act on behalf of the applicant. Applicants are required to submit such certifications no later than the due date noted in Section 6 (Schedule for RFP Process). The applicant will not be eligible to submit bids until such certifications have been provided to Delmarva. In the event the applicant has previously submitted such documents for qualification to participate in a neighboring PHI SOS jurisdiction for the same RFP year, such documents can be referenced to meet this requirement. If, however, the applicant's good-

standing membership with PJM or its FERC authorization has been adversely affected since submittal of the original documents, it is the responsibility of the applicant to immediately notify Delmarva of such events. Once notified, Delmarva will make any appropriate adjustments to the applicant's eligibility status.

3.5. Submittal of Credit Application and Financial Information

Applicants are required to submit the Credit Application (Appendix 5) and associated financial information to Delmarva no later than the Application and Financial Information due date noted in Section 6 (Schedule for RFP Process). An electronic copy of the Credit Application can be found on the Delmarva DE RFP website. The applicant should send the complete application and the associated financial information electronically. In the event the applicant has previously submitted such credit application and financial information for qualification to participate in a neighboring PHI SOS jurisdiction for the same RFP year, such documents can be referenced to meet this requirement. If, however, the applicant's credit rating has downgraded since submittal of the original documents, it is the responsibility of the applicant to immediately notify Delmarva of such event. Once notified, Delmarva will make any appropriate adjustments to the applicant's eligibility status.

All submitted information must be in the English language, and financial data denominated in United States currency, and conform to generally accepted accounting principles (GAAP) in the United States. If the applicant's financial information is consolidated with other entities, then it is the applicant's responsibility to extract and submit as separate documents all data and information related solely to the applicant. This must include all financial information, associated notes and all other information that would comprise a full financial report conforming to GAAP. If the applicant's, or its Guarantor's, financial data does not meet the above criteria, the following information is required in order to determine eligibility:

- a. Most recent audited annual financial information (including a balance sheet, income statement, and cash flow statement).
- b. Most recent quarterly or mid-year audited financial information; if audited quarterly or mid-year financial information is not available, please provide most recent quarterly or mid-year financial information accompanied by an attestation by the applicant's, or its Guarantor's Chief Financial Officer (or other approved authority) that the information submitted is true, correct and a fair representation of the applicant's or Guarantor's financial condition.
- c. Credit Rating information (including rating, rating agency and date of rating).
- d. A legal opinion acceptable to Delmarva of counsel qualified to practice in the foreign jurisdiction in which the Guarantor, if applicable, is incorporated or otherwise formed that the Guaranty is, or upon the completion of execution formalities will become, the binding obligation of the Guarantor in the jurisdiction in which it has been incorporated or otherwise formed.
- e. Any additional information the applicant or its Guarantor wish to give that could provide comparable credit assurances to those that are provided by other applicants or Guarantors whose financial data is denominated in the United States currency, and conform to generally accepted accounting principles (GAAP) in the United States.

Applicants are urged to provide the materials necessary to establish eligibility as soon as practicable. Delmarva will endeavor, on a best efforts basis, to notify applicants of any deficiencies in their submittals by the earlier of two weeks from the time the applicant submits its material to Delmarva or the date by which Delmarva must issue applicant's eligibility status as indicated in Section 6 (Schedule for RFP Process). However, Delmarva does not bear any responsibility for failure to notify applicants of deficiencies prior to the date indicated in Section 6 (Schedule for RFP Process) for the issuance of the applicants' eligibility status. Early submittal of materials will provide the greatest flexibility to correct deficiencies prior to the deadline. Delmarva will notify applicants as soon as Delmarva has determined that they have met the eligibility requirements. In the event the applicant's information is not submitted by the due date or submitted in an incomplete fashion, the applicant will be eliminated from further consideration in the first tranche of this RFP. Therefore, it is in the applicant's best interest to submit its credit and financial information early in the process, allowing some time to cure incomplete information before the due date.

3.6. Cure Time for Deficiencies in Qualification Requirements

In the event that an applicant has not met all of the qualification requirements under Section 3 (Eligibility of Applicants) so as to not be eligible to submit proposals in the first tranche, such applicant will be allowed to cure any such deficiency and participate in subsequent tranches, if the deficiency is cured no later than two weeks prior to the due date of proposals for the next tranche.

3.7. Alternative Forms of Performance Assurance

Subsequent to the awarding of a contract to a supplier, an instrument of performance assurance to secure Delmarva's exposure during the term of the FSA may be required, as set forth in the FSA. Any performance assurance required of the supplier determined in accordance with the FSA may be in the form of cash, LOC, or other security acceptable to Delmarva. An acceptable Performance Assurance LOC form is provided as Exhibit C in the FSA. If an applicant prefers to use an alternative LOC form for the performance assurance, the applicant must provide such alternative form along with its Credit Application and financial information. If an applicant intends to use security other than cash or LOC, Delmarva requests that the applicant describe such other security at the time it submits its Credit Application and financial information. The acceptability of such alternative LOC form or such other form of security will be at the sole discretion of Delmarva, and such acceptability will be communicated to the applicant no later than the time indicated in Section 6 (Schedule for RFP Process) for the issuance of the applicants' eligibility status.

4. Proposals

4.1. Bid Format

Price Quotes for Bid Block Offered - Auctions will be held by tranche, service type, and bid block, for a total of twelve separate full-requirements wholesale electric supply products. The price offers for each auction shall be for Summer Energy and Non-Summer Energy. The energy price offers shall be in terms of \$/MWh. All MWh energy shall be at the customer

premise or retail meter-level. As set forth in the FSA, the MWh of energy shall be equivalent to the amount of energy reported as the supplier's obligation by Delmarva to PJM adjusted for losses in accordance with Delmarva initial and subsequent retail load settlement process. The Delmarva summer period begins on May 1 and ends on August 31, and its non-summer period begins on September 1 and ends on April 30. All price quotes are limited to two decimal places. A successful supplier will be paid its winning bid prices by season as entered and submitted into the World Energy auction platform. The prices will be paid by service type by season and will not change over the length of the contract term. The successful supplier and Delmarva will confirm the prices by executing a Transaction Confirmation Letter in accordance with the FSA.

Volume Weighting Factors - The preliminary Summer and Non-Summer factors, listed below, are provided by Delmarva. The energy factors represent Delmarva estimates of the portion of the specified Service Type load within the specified term and season based on historical distribution load data. As stated, these factors are derived from historical data, which may or may not be representative of future behavior of electricity consumption. These factors will be updated prior to the Tranche 1 auction date.

Volume Weighting Factors (%)		
Service Type	Summer	Non-Summer
GS-P	31.85	68.15
LGS	34.98	65.02
MGS	35.46	64.54
RSCI	34.97	65.03

Load Weighted Average Price - The Load Weighted Average Energy Price is determined by summing the load weighted price quotes derived by applying the corresponding seasonal volume weighting factors to the respective seasonal price quotes. The Load Weighted Average Energy Price is the single parameter that will be used to compare all offers within each auction.

4.2. Submittal of Proposals

Product Bids will only be accepted through the World Energy web-based auction platform to be held on November 29, 2010 and January 24, 2011 in accordance with the schedule specified in Section 2.4 (Reverse Auction) and Section 6 (Schedule for RFP Process).

A bid submitted in response to this solicitation, shall a) constitute the Bidder's acknowledgment and acceptance of all the terms, conditions and requirements of this Request For Proposals, and b) shall constitute a firm offer to supply service in accordance with the Full Requirements Service Agreement and applicable Delaware regulations.

This offer is not subject to any contingencies or conditions precedent and, if accepted by Delmarva, the Bidder must agree to execute the Full Requirements Service Agreement in a timely manner as set forth in Section 6 (Schedule for RFP Process) of this Request For Proposals.

4.3. Confirmation of Proposal Receipt

Confirmation of receipt of a bidder's proposal will appear on the World Energy auction platform electronically.

4.4. Conforming Proposals

In order for a proposal(s) to be conforming, the proposal(s) must be:

- submitted using the World Energy web-based auction;
- submitted by the due date(s) and due time; and
- submitted by an eligible applicant.

Proposals deviating from the above criteria will be deemed non-conforming and eliminated from further consideration. Any such elimination of proposals will be communicated by Delmarva to the relevant bidder(s) as soon as practicable.

4.5. Expiration of Proposals

A bidder's proposal(s) shall expire at the earlier of the time Delmarva notifies the bidder that its proposal has been rejected or at midnight on the scheduled day of awarding bids within each tranche, as indicated in Section 6 (Schedule for RFP Process).

4.6. Evaluation of Proposals

As described in Section 4.1, the Load Weighted Average Energy Price is the single parameter that will be used to compare all offers within each auction. A successful supplier will be paid its winning bid prices by season as entered and submitted into the World Energy auction platform.

In the event that comparable offers from different suppliers have equivalent Load Weighted Average Energy Prices (rounded-up to two decimal places, \$0.01/MWh, in the World Energy auction platform), and such Load Weighted Average Energy Term Price qualifies to be awarded a contract, the bid that is submitted first into the auction platform is the winning bid.

5. Full Requirements Service Agreement

The FSA to be executed as a result of this RFP is provided as Appendix 7. The FSA contains the parties' rights and obligations for providing and receiving full requirements wholesale electric supply, including those rights and obligations associated with performance assurance. No provision within the FSA is negotiable. There will be a master FSA executed with each supplier under which separate Transaction Confirmations will be executed for the specific Service Types and auctions.

6. Schedule for RFP Process

The solicitation and selection process will be carried out in accordance with the schedule below. However, pursuant to Docket No. 04-391, the Commission reserves the right to alter the Services Requested in Section 2 of this RFP five days prior to the auction dates. Such alteration will not occur unless there are exceptional market-altering events directly prior to the date on which bids are submitted.

(b) Other capitalized terms used in this Agreement have the meaning set forth in this Agreement and/or the Request for Proposals dated _____ and/or the FSA.

TERMS:

2. Purpose. The purpose of this Agreement is to protect the confidentiality of the Confidential Information and to restrict the use and disclosure of that information in the manner set forth below.

3. Limitations on Use and Disclosure. (a) A Party shall use the other Party's Confidential Information only for the purpose of evaluating, responding to, negotiating and consummating the RFP and/or the response to the RFP, and/or consummating the FSA, and not for any other purpose. Neither Party shall disclose to Third Parties any information about the Utility's or Company's participation in the RFP or execution of an FSA, or the terms or conditions or any other facts relating thereto, including the fact that discussions are taking place with respect thereto, the status of those discussions, or the fact that Confidential Information has been made available by or to the Utility or Company or their Representatives. To the extent that the Delaware Division of the Public Advocate and its representatives and/or consultants (collectively "DPA") enter into a confidentiality agreement to hold any shared information confidentially, Utility may also share Confidential Information with DPA for the purposes of DPA's review of the results of the RFP.

4. Disclosure upon Default. Notwithstanding the foregoing or any other provision of the Agreement, the Utility may disclose Confidential Information in the event of a Supplier Default, as provided for in the FSA. The Utility may disclose to any Company with whom it has executed

an FSA and who is not a Defaulting Supplier, the contract price of the Defaulting Supplier for the purpose of allowing the Company to make the election provided for in Section 4.11 of the FSA.

5. Definition of Confidential Information. Confidential Information shall consist of oral, electronic and written information that is confidential, proprietary, or generally not available to the public. Whenever possible, such Confidential Information shall be marked prior to or at the time of disclosure as being “Confidential Information”. Confidential Information in the case of information provided by Utility to the Company shall include, without limitation, all data, reports, interpretations, forecasts or records relating to Utility and/or its customers, and any other document created by Utility or others which directly or indirectly relates to all or any portion of the bid evaluation information provided to the Company by Utility. Confidential Information in the case of information provided by the Company to the Utility shall include, without limitation, all data, reports, interpretations, forecasts, bids, credit information, credit collateral amounts, bidder identity, and shall also include information prepared by the Company that includes directly or indirectly Confidential Information furnished by Utility.

6. Non-Confidential Information. Notwithstanding the provisions of Section 5, information shall not be deemed confidential that (i) becomes generally available to the public; (ii) is already known to the receiving Party at the time of receipt by the receiving Party; or (iii) is acquired after such receipt from a Third Party not known to the receiving Party to be prohibited from making disclosures. The receiving Party shall give prompt notice to the other Party in the event it believes that any of the other Party’s information in its possession is not Confidential Information as a result of the provisions of this Section 6.

7. Property of Utility or the Company. Confidential Information belonging to Utility shall consist of Confidential Information supplied by Utility to the Company and shall also include the portion of Confidential Information furnished by the Company to Utility that incorporates Confidential Information furnished to the Company by Utility. Confidential Information belonging to the Company consists of all other Confidential Information supplied by the Company to Utility. Utility and the Company acknowledge that each Party’s Confidential Information is and at all times remains the sole and exclusive property of that Party, who, it is agreed, has the exclusive right, title, and interest to its Confidential Information. Neither Party grants any right or license, by implication or otherwise, as a result of the provision of Confidential Information to the receiving Party.

8. Disclosure Prohibited Except Where Explicitly Permitted. Neither Party shall disclose or use the other Party’s Confidential Information without the other Party’s prior written consent except as explicitly stated in Sections 3, 4, 9 and 10 of this Agreement.

9. Disclosure For Bid Evaluation Purposes. A Party may disclose the other Party’s Confidential Information to its Representatives for the purposes set forth in Section 3. The obligations and restrictions under this Agreement that apply to a Party also apply to a Party’s Representatives.

authority (“Authority”) requiring such Confidential Information; provided that, the disclosing Party (a) promptly informs the other Party of the substance of any inquiries, requests or requirements in order to afford the other Party an opportunity to attempt to prevent or limit the disclosure of the Confidential Information; (b) makes a good faith effort to persuade the Authority (i) that submission of the Confidential Information should not be required, or, if that effort fails, (ii) that submission of the Confidential Information on a non-public basis should be permitted; and (c) endeavors in good faith to protect the Confidential Information provided to an Authority from disclosure to Third Parties. If an Authority orders the disclosing Party to disclose any documents containing the other Party’s Confidential Information, the disclosing Party shall a) attempt to obtain from the other Party, if the Authority allows the time, a “Public Disclosure Copy”, or b) if the Authority does not allow such time, shall prepare itself a “Public Disclosure Copy” in which the Confidential Information has been redacted to the extent that such redaction is permitted by the Authority requiring disclosure. Confidential Information disclosed pursuant to this Section 10 on a non-public basis shall not lose its status as Confidential Information by virtue of such non-public disclosure.

Notwithstanding the foregoing, the Parties agree that either party may be required to provide Confidential Information to FERC in order to comply with FERC Form 1 or FERC transaction reporting requirements. Each Party agrees that to the extent it is required to provide FERC any such information, the Party required to provide such information will provide only the information that is reasonably necessary to comply with such reporting requirements and shall not be required to comply with the provisions of Section 10 of this Agreement unless there have been substantive changes to the information required for FERC reporting purposes.

11. Termination of RFP Participation. If the Company determines that it does not wish to proceed with the RFP, or if the Utility excludes the Company from the RFP for any of the reasons set forth in the RFP, it will immediately notify the other Party of that decision. In such case, or if the RFP is not consummated, upon the written request of the Party (the “requesting Party”), the other Party (the “receiving Party”) shall not retain and shall promptly return to the requesting Party all the requesting Party’s written Confidential Information in the possession of the receiving Party or its Representatives, except for the portion (“said portion”) of the requesting Party’s Confidential Information that may be found in analyses, compilations, or other documents prepared by, or for, the receiving Party and its Representatives. The said portion and any oral Confidential Information furnished by the requesting Party and not so requested or returned will be held by the receiving Party and kept subject to the terms of this Agreement, or destroyed.

12. Liability and Relief. A Party or any of its Representatives shall be liable for any breach of this Agreement. In the event a non-breaching Party or its Representatives shall have knowledge of any breach of the confidentiality of, or the misappropriation of, any of the Confidential Information, the non-breaching Party shall promptly give notice thereof to the breaching Party. The non-breaching Party shall be entitled to specific performance or other equitable relief by way of injunction or otherwise, if the other Party or any of its Representatives breach or threaten to breach any of the provisions of this Agreement. Such remedy shall not be deemed to be the exclusive remedy available to the non-breaching Party, but shall be in addition to all other available remedies. Neither failure nor delay by the non-breaching Party, in

exercising any of its rights or privileges herein, shall operate as a waiver nor shall any single or partial exercise preclude any other or further exercise of any right, power or privilege.

13. Representatives, Successors and Assigns. This Agreement shall be binding upon and for the benefit of the Parties, and their respective Representatives, successors, and permitted assigns. Neither Party may assign its rights or obligations hereunder without prior written consent of the other Party.

14. Controlling Law. This Agreement shall be governed by and construed in accordance with the laws of the state of Delaware without regard to conflicts of laws rules or principles

15. Full Compliance Required. The failure in any instance to insist on full compliance with the terms of this Agreement shall not be deemed to be a waiver of the right to insist upon full compliance with these terms thereafter.

16. Signatures. The signatures below establish each Party's agreement to the terms hereof.

17. Termination. This Agreement shall terminate three years from the date hereof.

Once Participant is awarded energy supplies during the auction process, World Energy will generate and send an email confirmation containing the Fee Addendum to the Participant representative who submitted the Bid(s) during the relevant Auction and s/he shall indicate acceptance of such Fee Addendum by replying to the email notification with an affirmative response. Participant agrees that payment of the Contract Award Fees stated in the Fee Addendum shall be due in accordance with the terms of the Agreement upon Participant's acceptance of the Fee Addendum, and no additional signed writing shall be required between Participant and World Energy obligating Participant to pay such fees.

4.4. Participant agrees to make and keep full and accurate books and records in sufficient detail to enable Contract Award Fees payable to World Energy hereunder to be determined. An electronic record will accompany each payment to World Energy indicating the amount of Units consumed, service period, and Contract Award Fee owed World Energy. World Energy shall have the right to make an audit of the books and records of Participant that pertain to the calculation of Contract Award Fees. World Energy shall treat as confidential all information obtained in such audit and shall not disclose the same to others, except to the extent necessary to enforce World Energy's rights hereunder. On five (5) days' prior written notice to Participant, World Energy or its representative shall have full access to the books and records of Participant necessary to confirm whether Contract Award Fees are due to World Energy under this Agreement, and World Energy shall have the right to make copies thereof at Participant's expense. World Energy shall have such access during normal business hours. Prompt adjustment shall be made to reflect the results of such audit. If it is determined following such audit that any Contract Award Fee for the period covered by such audit was not paid by Participant, then Participant shall reimburse World Energy for the reasonable out-of-pocket costs of such audit incurred by World Energy within thirty (30) days after World Energy's demand therefor, along with the shortfall of payments of Contract Award Fees, and with interest on the shortfall amount at the rate applicable to late payments hereunder as set forth below.

4.5. All overdue payments shall bear interest of the lesser of (i) the rate of one and one-half percent (1.5%) per month or (ii) the maximum rate allowed by law, in either case plus World Energy's cost of collection (including reasonable attorney's fees).

4.6. Participant shall be solely responsible for the payment of any and all taxes arising, out of Participant's use of the Exchange, including, but not limited to, any sales, use, access and/or business taxes, excluding taxes based on the income of World Energy.

4.7. If a Customer Contract is terminated for any reason, all Contract Award Fees applicable to that Customer Contract will cease on the effective date of contract termination. If Participant is later paid for any portion of the energy purchased by Customer from Participant under an RFP, whether by voluntary payment or damages, Participant shall immediately pay to World Energy the portion of the applicable Contract Award Fee allocable to the paid energy amount.

5. TERM AND TERMINATION.

5.1. The term of this Agreement shall commence on the Effective Date and continue until terminated pursuant to this Section 5 (the “Term”).

5.2. Either Party may terminate this Agreement upon thirty (30) days prior written notice; provided that, upon any termination of this Agreement, the license granted in Section 2 and all other rights of the Parties under this Agreement shall terminate, except that, notwithstanding the foregoing, the rights and obligations under Sections 2.3, 3.2, 4, 5, 6, 7, 8, 9 and 10 herein shall continue in full force and effect.

5.3. Neither Party shall be liable to the other Party for any costs or damages of any kind, including incidental or consequential damages, or for indemnification, solely on account of the lawful termination of this Agreement, even if informed of the possibility of such damages.

6. INDEMNITY.

6.1. 10.5. Governing Law; Attorneys' Fees. This Agreement shall be governed by the laws of the Commonwealth of Massachusetts without giving effect to applicable conflict of laws provisions. Each Party hereby agrees to the exclusive jurisdiction of the courts in Suffolk County, Massachusetts; provided that nothing herein shall prevent either Party from seeking injunctive relief in any relevant jurisdiction. In the event any litigation or other proceeding is brought by either Party in connection with this Agreement, the prevailing Party in such litigation or other proceeding shall be entitled to recover from the other Party all costs, attorneys' fees and other expenses incurred by such prevailing Party in such litigation.

The failure of either Party to require the performance of any term of this Agreement or the waiver of either Party of any breach under this Agreement shall not operate or be construed as a waiver of any other provision hereof, nor shall it be construed as a waiver of any subsequent breach by the other Party hereto.
