ORDER NO. 8099

This 10th day of January 2012, the Commission determines and Orders the following:

WHEREAS, under the provisions of 26 Del. C. §314, a water utility may calculate and collect a "Distribution System Improvement Charge" ("DSIC Rate"), which allows the utility to promptly begin to recover depreciation expenses and a return on capital invested in "eligible distribution system improvements" put into service between rate cases; and

WHEREAS, under the statutory scheme, a particular water utility’s DSIC Rate, once initiated, may thereafter be adjusted on a semi-annual basis to reflect eligible improvements put into service within the preceding six months (see 26 Del. C. §§314(b)(3),(5));¹ and

¹The Commission has explained the DSIC Rate mechanism in detail in PSC Order No. 5850 (Dec. 11, 2001).
WHEREAS, on November 30, 2009, Artesian Water Company, Inc. ("Artesian") filed an application with the Delaware Public Service Commission (the "Commission") to reset its DSIC Rate from 0% to .34% effective January 1, 2010; and

WHEREAS, on December 22, 2009, in Order No. 7714, the Commission opened Docket No. 09-505 and reset Artesian’s DSIC Rate to .34% on a temporary basis and subject to refund, pending a review, audit and annual reconciliation to be performed by Staff; and

WHEREAS, on May 27, 2010, Artesian filed a subsequent application pursuant to 26 Del. C. §314 to reset its DSIC Rate from .34% to .68%; and

WHEREAS, on June 15, 2010, in Order No. 7792, the Commission opened Docket No. 10-194 and reset Artesian’s DSIC Rate to .68% on a temporary basis and subject to refund, pending a review, audit and annual reconciliation to be performed by Staff; and

WHEREAS, on April 11, 2011, Artesian Water Company filed for a full rate revision and was approved by the Commission. As a result, Artesian Water Company DSIC Rate was reset to zero as part of the last base rate case in PSC Docket No. 11-207, Order No. 8092; and

WHEREAS, Staff reports that it has reviewed the DSIC applications that preceded Docket Nos. 09-505 and 10-194, conducted certain discovery and found no discrepancies with the filings; and

WHEREAS, Staff recommends that the Commission formally close these dockets; and
WHEREAS, Staff further reports that it has shared its findings with the Public Advocate and Artesian and that there are no objections to the closing of these dockets;

NOW THEREFORE, IT IS ORDERED BY THE AFFIRMATIVE VOTE OF NOT FEWER THAN THREE COMMISSIONERS:

1. That, based upon Staff’s recommendation and for the reasons discussed above, Dockets Nos. 09-505 and 10-194 may be closed without any further action of the Commission.

2. That the Commission reserves the jurisdiction and authority to enter such further orders in these dockets as may be deemed necessary or proper.
