**ORDER NO. 8248**

This 29th day of November 2012, the Commission determines and Orders the following:

**WHEREAS**, by **Order No. 8249** dated November 29, 2012, the Commission opened Docket No. 12-497 to consider the Joint Application of YMG Corporation ("YMG") and Tidewater Environmental Services Inc. ("TESI") for approval of the sale of assets and transfer of a Certificate of Public Convenience and Necessity ("CPCN") from YMG to TESI; and

**WHEREAS**, by **Order No. 8250** dated November 29, 2012, the Commission opened Docket No. 12-498WW to consider TESI's application for a general rate increase for wastewater services for the customers of the Plantations Residential Community Wastewater System; and

**WHEREAS**, the Joint Application filed by YMG and TESI in PSC Docket No. 12-497 is contingent upon the Commission's approval of the general rate increase filed by TESI in PSC Docket No. 12-498WW; and

**WHEREAS**, the Commission Staff believes that consolidating PSC Docket No. 12-497 and PSC Docket No. 12-498WW to address joint issues regarding both the transfer of YMG's CPCN to TESI and TESI's general rate increase will promote efficiency since both applications involve the same customers, which are the residents of Plantations Residential Community;

1. That PSC Docket No. 12-497 and PSC Docket No. 12-498WW shall be combined.
