

BEFORE THE PUBLIC SERVICE COMMISSION

OF THE STATE OF DELAWARE

IN THE MATTER OF THE APPLICATION OF )  
DELMARVA POWER & LIGHT COMPANY TO )  
APPROVE AN AGREEMENT WITH ) PSC DOCKET NO. 13-99  
WASHINGTON GAS ENERGY SERVICES, INC. )  
FOR THE PURCHASE OF SOLAR RENEWABLE )  
ENERGY CREDITS )  
(FILED MARCH 11, 2013)

ORDER No. 8340

FOR ADMISSION AS AN INTERVENOR

**AND NOW**, this 2<sup>ST</sup> day of April, 2013, pursuant to the authority granted to me in PSC Order No. 8325 dated March 19, 2013, this Hearing Examiner, having considered the Petition to Intervene ("the Petition") filed by Washington Gas Energy Services, Inc. ("Washington Gas") on March 27, 2013, and there being no objection thereto filed by any party of record;

**NOW, THEREFORE,**

1. The Petition is granted.
2. In PSC Order No. 8325 (March 19, 2013), the Commission ordered that the deadline for filing a Petition for Intervention was April 1, 2013. (See Order, ¶2.)
3. Thus, Washington Gas' Petition to Intervene was timely filed.
4. According to PSC No. 8325, Washington Gas is an authorized retail electric supplier seeking to sell solar renewable energy

credits ("SRECs") to Delmarva Power & Light Company. ("Delmarva Power") The proposed sale is for the purpose of Delmarva Power satisfying its requirements under Delaware's Renewable Energy Portfolio Standards Act. ("REPSA")

5. In its Petition to Intervene, Washington Gas alleges that "[a]s a signatory party to the SREC Transfer Agreement, [its interest] will be directly affected by the outcome of the issues in this proceeding, and its interest cannot adequately be represented by any other party." (See Washington Gas' Petition to Intervene, ¶5.)

6. Despite notice informing them of Washington Gas' Petition, no interested party has opposed Washington Gas' Petition.

7. For purposes of considering the merits of Washington Gas' Petition to Intervene, I assume as true the representations made in Washington Gas' Petition. Specifically, Washington Gas has adequately alleged that it has particularized expertise and experience which may be valuable to the Commission in deciding the issues in this docket. Thus, Washington Gas has satisfied the intervention requirements of Rule 21 of the Commission's *Rules of Practice and Procedure*.

8. There is no need to disturb the Procedural Schedule previously agreed upon by the parties.

Now, therefore, **IT IS ORDERED:**

1. Accordingly, the Petition to Intervene filed by Washington Gas Energy Services, Inc. ("Washington Gas") is **GRANTED**.

2. Washington Gas shall be added to the Service List for this Docket as requested in its Petition to Intervene.

**BY ORDER OF THE COMMISSION**
