AND NOW, this 12th day of May, 2015

WHEREAS, pursuant to PSC Order No. 8710 dated March 3, 2015, the deadline for filing Petitions to Intervene in this docket pursuant to Del. Admin. C. §1001-2.9 was Monday, April 20, 2015;

WHEREAS, in PSC Order No. 8710, the Commission ordered that, pursuant to 26 Del. Admin. C. §1001-2.9.3, I, as the assigned Hearing Examiner in this docket may grant or deny Petitions to Intervene;

WHEREAS, Calpine Mid-Atlantic Energy, LLC ("Calpine") filed a timely Petition for Leave to Intervene on April 16, 2015;

WHEREAS, Calpine alleges in its Petition for Leave to Intervene that, as the largest electric power generator and natural gas user in the State of Delaware, it has an interest in the outcome of the proceeding. Calpine also alleges that because "Calpine (through its affiliates) has contractual arrangements with Delmarva for certain gas pipeline services, including balancing services..." that "[m]atters being considered in

connection with Delmarva's application in this Docket may have an impact on the charges and fees paid by Calpine in respect of those services.";

WHEREAS, Calpine alleges that its interests would be inadequately represented in this Docket in the absence of its intervention as no other party to the proceedings has sufficient knowledge of Calpine's operations; and,

WHEREAS, Calpine's Petition for Leave to Intervene has met the requirements for granting such Petition as set forth in Del. Admin. C. §1001-2.9;

NOW, THEREFORE, Calpine's Petition to Intervene is granted.
