ENCLOSED1 IMPORTANT
INFORMATION FROM THE PUBLIC
SERVICE COMMISSION THAT
AFFECTS YOUR RIGHTS REGARDING
WATER SERVICE

YOU SHOULD READ THIS NOTICE CAREFULLY

Public records list you as a landowner of the property with the following tax map parcel identification number(s): 134-15.00-114.01. Within thirty-five (35) days, Artesian Water Company, Inc. plans to file an application with the Delaware Public Service Commission requesting a Certificate of Public Convenience and Necessity (Certificate) to provide water service to a new territory described as PEPPERS114.01.

ARTESIAN WATER COMPANY, INC. HAS INCLUDED YOUR PROPERTY IN THE TERRITORY IT INTENDS TO SERVE. ARTESIAN WATER COMPANY, INC IS ABLE TO PROVIDE WATER SERVICE TO YOUR PROPERTY IN THE FUTURE THROUGH A MAIN EXTENSION CONNECTED TO OUR REGIONAL WATER SYSTEM. ARTESIAN WATER COMPANY, INC. IS UNABLE TO ESTIMATE WHEN IT WILL PROVIDE WATER SERVICE TO YOUR PROPERTY.

IF YOU DO NOT TAKE ANY ACTION NOW, YOU MAY LOSE YOUR CHOICE OF WHO CAN PROVIDE WATER SERVICE TO YOUR PROPERTY AND WHETHER YOU CAN OBTAIN A WELL PERMIT.

- 1) **You may choose to be included in the utility's proposed service territory. If you signed a petition for water service asking to be included in the utility's proposed service territory, or, if you did not sign a petition for water service but want to be included, you do not have to take any action.**

- 2) You have the right to "opt-out" of the utility's proposed service territory. If you "opt-out", your property will not be included in the utility's service territory. You can do this even though others might desire water service from the utility. **You should understand that being included in a utility's service territory does not mean that public water service will be immediately available to your property or that, when available, you will be required to hook-up to the public water system.** However, if your property is included in the utility's water service territory, and later the water from the well providing your drinking water cannot be used, the Department of Natural Resources and Environmental Control might deny you a permit for a new well if public water is available to your property. On the other hand, if you elect to "opt-out" of the utility's service territory, but later change your mind and decide to connect to the utility's public water system, you could be charged additional fees.

- 3) You may object to the Public Service Commission granting a Certificate for PEPPERS114.01. For example, you may object that the water utility does not have the legal right to serve the territory. You should review the law about what a utility must provide in order to obtain a Certificate (contact the Public Service Commission to obtain a copy of the law). If you file such an objection, you will need to tell the Public Service Commission why the utility should not receive the Certificate. Please note that an objection will not remove your property from a proposed service territory. To remove your property from the service territory, you must request to "opt-out."

Attached to this letter is a form which allows you (and other owners of the property) to exercise your options. You have seventy-five (75) days from your receipt of this notice to file your objection with the Commission. Although you may exercise your right to "opt-out" of the utility's service territory at any time before the Certificate is granted, if you choose to opt-out, it is requested that you complete the form and return it to the Public Service Commission at the address listed below within seventy-five (75) days from the date you receive this notice:

Delaware Public Service Commission 861 Silver Lake Boulevard
Cannon Building, Suite 100
Dover, Delaware 19904

If you want to "opt-out" or object, you must send the completed form to the Public Service Commission, even if you already informed the utility of your intent to "opt-out" or object.

If you have any questions, comments or concerns, please contact the Public Service Commission at (302) 736-7500 (in Delaware, call 800-282-8574).
