

## List of Certified Electric Suppliers

Last Updated: 12-17-2020

This information is provided as a resource for consumers. The Delaware Public Service Commission neither endorses these particular entities nor accepts responsibility for the content or the accuracy of information provided by these entities. This list is updated as often as information becomes available and contains all certified companies, the Commission would urge customers to contact all potential suppliers to determine if a company is currently offering service. All companies that are certified may not be offering service.
