FRANCHISE/SERVICE AREA

The Commission may not grant a franchise to a cable television system without first giving at least ninety (90) days public notice of its intention to receive and consider applications for such a franchise. Therefore, pursuant to 26 *Del. To be considered, any such application must be filed with the Commission via the Commission's docketing and file management system Delafile, (<https://delafile.delaware.gov/>), on or before August 30, 2024. All applications must be filed in DelaFile in PSC Docket No. 24-0392, and must conform to the requirements of 26 *Del. C.* § 602.

All applications will be made available for public inspection immediately following the filing thereof, and no application once filed may be amended to make substantive changes in the proposals or qualifications of the applicant if more than one (1) application has been filed for the same franchise territory. A publicly-noticed public hearing will be scheduled and conducted after the closing date of August 30, 2024, and prior to the granting of the franchise.
