(FILED JUNE 22, 2026)	*	

On June 22, 2026 Town of Bethany Beach, (“Town”) filed an application with the Delaware Public Service Commission (“PSC”) for a Certificate of Public Convenience and Necessity (“CPCN”) to provide water service to six proposed units in the proposed Oceans Six subdivision which is Sussex County Tax Parcel No. 137-17.07-190.00 and is located east of Coastal Highway (SR-1) north of the Jefferson Bridge Road intersection in Bethany Beach Delaware. The basis for the application is that Town is in receipt of a signed petition requesting water service from the landowner in each proposed service area as set forth in *26 Del. C. §203C(e)(1)(b)(2)*.

The PSC will investigate this matter to the extent deemed necessary to determine whether a CPCN should be granted. An evidentiary hearing on this application will not be held unless there is a meritorious request received within thirty (30) days of publication of this notice. A meritorious request is deemed to be one which sets forth reasonable grounds why a public hearing would be appropriate or would be in the public interest.

Pursuant to current law, property owners within the proposed CPCN service area may file an objection to the issuance of a CPCN to Town and may also choose to “opt-out” of inclusion in the proposed service area. Written notice of such objection or a decision to “opt-out” of inclusion in the proposed service area must be sent to the PSC at the following address within thirty (30) days after publication of this notice.
