(4) 231-15.00-21.00 - is a parcel located on the south side of Old Furnace Rd. and is located about 1,035 feet from the intersection of Old Furnace Rd. and Asbury Rd. C. §203C(e)(1)b.

The PSC is investigating this matter to the extent deemed necessary to determine whether the CPCN should be granted. A meritorious request is deemed to be one which sets forth reasonable grounds why a public hearing would be appropriate or would be in the public interest.

Pursuant to current law, property owners within the proposed CPCN service area may file an objection to the issuance of a CPCN to Tidewater Utilities, Inc. and may also choose to "opt-out" of inclusion in the proposed service area. Written notice of such objection or a decision to "opt-out" of inclusion in the proposed service area must be sent to the Delaware Public Service Commission at the following address within thirty (30) days after publication of this notice.
